and described in an application for Letters Patent of the United States which is filed concurrently herewith
and was executed by us, respectively, in and to said application, and all divisions, renewals and continuations
thereof, and all Letters Patent of the United States which may be granted thereon, and all reissues and extensions
thereof, and all applications for Letters Patent or other grants of protection of proprietary rights including, but not
limited to, inventor's certificate, utility model, utility certificate, patent of importation, registration of patent and
industrial design registration which may be filed, and which may be granted, upon said inventions in any countries
or regions foreign to the United States, and all reissues, renewals and extensions thereof; and we hereby authorize
and request the Commissioner for Patents and Trademarks of the United States, and all officials of countries or
regions foreign to the United States having authority to do so, to issue all such Letters Patent or other grants of
protection upon said inventions to the Assignee or to such nominees as it may designate.

AND we authorize and empower the said Assignee or nominees to invoke and claim for any application for
such Letters Patent or other grants of protection for said inventions filed by it or them, the benefit of the right of
priority provided by the international Convention for the Protection of Industrial Property, as amended, or by a
convention which may henceforth be substituted for it, and to invoke and claim such right of priority without further
written or oral authorization from us.

AND we hereby consent that a copy of this assignment shall be deemed a full and formal equivalent of any
assignment, consent to file or like document which may be required in any country or region for any purpose and
more particularly in proof of the right of the said Assignee or nominees to claim the aforesaid benefit of the right of
priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any
convention which may henceforth be substituted for it.

AND we hereby covenant that we have the full right to convey the entire right, title and interest herein
assigned and that we have not executed and will not execute any agreement in conflict herewith.
