ASSIGNMENT

WHEREAS, Marc J. Commeville and Corey D. Louks of 9640 North Augusta Drive, Suite 414, Carmel, Indiana 46032 and 18739 Gretna Green Lane, Noblesville, IN 46060, respectively, hereinafter referred to as inventors, have made a new and useful invention in HOSE BIB CONTAINMENT DEVICE AND METHOD disclosed in United States Patent Application 10/748,768, filed December 30, 2003; and

WHEREAS, inventors desire to alter their respective property rights established under 35 U.S.C. § 262 such that each inventor shall have a 1/3 divided interest under said application, and in, to and under any and all Letters Patent, United States and foreign, which may be obtained therefor and thereon, to make, use, offer to sell, or sell the patented invention in the United States, or import the patented invention into the United States, said interest requiring the consent of all other owners of said useful invention and requiring an accounting to all other owners of said useful invention; and

WHEREAS, inventors desire to sell, assign, and transfer a 1/3 divided interest of the entire right, title, and interest in, to and under said invention disclosed to make, use, offer to sell, or sell the patented invention in the United States, or import the patented invention into the United States, said interest requiring the consent of all other owners of said useful invention and requiring an accounting to all other owners of said useful invention; and

WHEREAS, Todd Hollingsworth of 2149 East 106th Street, Carmel, Indiana 46032, desires to acquire a 1/3 divided interest under said invention disclosed, described and claimed or intended so to be in said application, and in, to and under said application, and in, to and under any and all Letters Patent, United States and foreign, which may be obtained therefor and thereon, to make, use, offer to sell, or sell the patented invention in the United States, or import the patented invention into the United States, said interest requiring the consent of all other owners of said useful invention and requiring an accounting to all other owners of said useful invention;

NOW, THEREFORE, to all whom it may concern, be it known that for and in consideration of the sum of One Dollar (\$1.00) and other good, valuable and sufficient considerations to each inventor individually in hand paid, the receipt of which is hereby acknowledged, inventors have altered their respective property rights between and among themselves to make, use, offer to sell, or sell the patented invention in the United States, or import the patented invention into the United States, said interest requiring the consent of all other owners of said useful invention and requiring an accounting to all other owners of said useful invention, and inventors have sold, assigned and transferred, and by these presents do sell, assign and transfer unto Todd Hollingsworth, a divided 1/3 of the right, title, and interest in, to and under said invention disclosed to make, use, offer to sell, or sell the patented invention in the United States, or import the patented invention into the United States, said interest requiring the consent of all other owners of said useful invention and requiring an accounting to all other owners of said useful invention,

described and claimed or intended so to be in said application, and any and all other applications thereon and arising therefrom, including any and all divisions and continuations thereof, and any and all patents to be issued and obtained therefor and thereon, United States and foreign, including all reissues and extensions thereof.

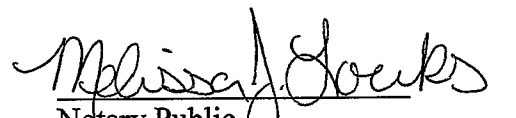

Inventors agree to sign and execute any and all other papers necessary or desirable for the procurement of Letters Patent on said invention in this and all foreign countries for the use of all owners.
