ASSIGNMENT OF PATENT APPLICATION

FOR GOOD AND VALUABLE CONSIDERATION,

We, the undersigned have agreed and hereby agree to assign for good and valuable consideration, receipt of which is hereby expressly acknowledged, and do hereby sell, assign and transfer unto:

Attenex Corporation

925 4th Avenue, Suite 1700

Seattle, WA 98104-1125

a corporation organized under the laws of the state of Washington as Assignee, and its successors, assigns and legal representatives, the entire right, title and interest, for all countries in and to certain inventions relating to:

System And Method For Providing A Dynamic User Interface For A Dense Three-Dimensional Scene

described in an application for Letters Patent of the United States, identified as Attorney Docket No. 013.0504.US.CIP, at the Law Offices of Patrick J.S. Inouye, 810 Third Avenue, Suite 258, Seattle, WA 98104 and filed on January 27, 2006, as Application Serial No. 11/341,180, and any and all invention and improvements set forth therein, and any and all continuations, continuations-in-part, divisionals, and renewals of and substitutes for said application for said Letters Patent, and all the rights and privileges under any and all Letters Patent that may be granted therefore in any country, and any reissues, or reexaminations, or extensions of said Letters Patent. We request that any and all Letters Patent for said inventions be issued to said Assignee, successors of said Assignee, assigns and legal representatives, or to such nominees as said Assignee may designate.

We agree that, when requested, we will, without charge to said Assignee but at the expense of said Assignee, sign all papers, take all rightful oaths, and do all acts which may be necessary, desirable or convenient for securing and maintaining patents for said inventions in any and all countries and for vesting title thereto in said Assignee, successors of said Assignee, assigns and legal representatives or nominees.

We authorize and empower said Assignee, successors of said Assignee, assigns and legal representatives or nominees, to invoke and claim for any application for patent or other form of protection for said inventions filed by said Assignee, successors of said Assignee, assigns and legal representatives or nominees, the benefit of the right of priority provided by the International Convention for the Protection of Industrial Property ("International Convention"), as amended, or by any convention which may henceforth be substituted for said International Convention, and to invoke and claim such right of priority without further written or oral authorization from us.

We hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any assignment and further consent to file this assignment or like document which may be required in any country for any purpose and more particularly in proof of the right of said Assignee or nominee to claim the aforesaid benefit of the right of priority provided by said International Convention which may henceforth be substituted for such benefit.
