ASSIGNMENT

WHEREAS, as of August 1, 2005 (the "Effective Date"), the University of Virginia Patent Foundation, a non-profit organization having a place of business at 250 W. Main St., Suite 300, Charlottesville, Virginia 22902 (the "Foundation") possesses the entire right, title and interest in and to the following U.S. Letters Patents (the "Patents"):

U.S. Patent No. 5,125,888

U.S. Patent No. 5,779,694

U.S. Patent No. 5,707,335

U.S. Patent No. 6,216,030

WHEREAS, the University of Washington is desirous of acquiring an undivided interest in and to Assignor's right, title and interest in and to the Patents, in accordance with an agreement between UW and UVAPF dated April 1, 2006;

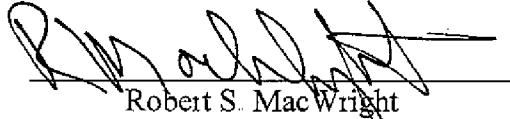

NOW, THEREFORE, for and in consideration of the sum of One Dollar (\$1.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, Foundation does hereby assign, transfer and convey to University of Washington, its successors and assigns, an undivided interest in Foundation's entire right, title and interest in and to the aforesaid Patents in existence as of the Effective Date, so that as of the Effective Date, Foundation and University of Washington each own an undivided interest in and to the Patents. Nothing herein shall be construed to affect or limit the pre-existing royalty-free rights that may have been or may be required to be granted to the U.S. Government pursuant to 35 USC §§200-206 and to 37 CFR Part 401, should any such rights exist, or the exclusive license of the Patents previously granted by UVAPF to Stereotaxis, Inc.

AND, Foundation hereby authorizes the appropriate governmental officials to recognize University of Washington as joint owner of the Patents, and to include same as co-assignee, as appropriate, on all U.S. Patent and Trademark Office documents relating to the Patents.

AND, nothing herein shall be construed as an assignment of any rights of Foundation or the University of Virginia, other than the Patents. University of Washington acknowledges that the assignment of an undivided interest in and to the Patents provided hereunder does not include assignment of improvement inventions, related inventions, or other intellectual property or proprietary information that has been or is made by the inventors or others at the University of Virginia.

IN WITNESS WHEREOF, said Foundation has hereunto set its hand and seal.
