ASSIGNMENT

WHEREAS, WE, Gregory W. LUEBBERING, of 305 W. Main Street Heyworth, IL 61745; Arnold SEPKE, of 17567 Trillium Lane, Hudson, Illinois 61748; and Vincent BOBROSKY, of 102 Harter Lane, Normal, Illinois 61761, have invented certain new and useful improvements in and to the subject matter of:

VACUUM CLEANER

described in an application for United States Letters Patent filed on March 21, 2005, and accorded application number 29/225,781;

AND, WHEREAS, Electrolux Home Care Products North America, a division of Electrolux Home Care Products, Ltd., a Texas limited partnership, having a place of business located at 807 North Main Street, Bloomington, Illinois 61701 (hereinafter "ASSIGNEE"), is desirous of acquiring certain rights to the improvements and under the application;

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00) or the equivalent thereof, and other good and valuable consideration, receipt of which is hereby acknowledged, we do hereby sell, assign and transfer unto said ASSIGNEE, its successors, assigns and legal representatives, our entire right, title and interest in and throughout the United States of America (including its territories and dependencies) and all countries foreign thereto in and to said improvements, said United States application, any other United States applications, including provisional, continuing, continuation, continuation-in-part, divisional, renewal, substitute, reexamination and reissue applications, based in whole or in part on said United States application or in whole or in part on said improvements, any foreign applications, including international and regional applications, based in whole or in part on any of the aforesaid United States applications or in whole or in part on said improvements, and in and to any and all letters patent, including extensions thereof, of any country which have been or may be granted on any of the aforesaid applications or on said improvements or any parts thereof;

AND WE hereby agree for ourselves and our heirs, executors and administrators to execute without further consideration any further documents and instruments which may be necessary, lawful and proper in the prosecution of said above-referenced application or in the preparation or prosecution of any continuing, continuation, continuation-in-part, substitute, divisional, renewal, reexamination or reissue application or in any amendments, extensions or interference proceedings, or other applications for patents of any region or country, that may be necessary to secure to ASSIGNEE its interest and title in and to said improvements or any parts thereof, and in and to said several patents or any of them;

AND WE hereby agree for ourselves and our heirs, executors and administrators to fully cooperate with ASSIGNEE, without further consideration, in any necessary, lawful and proper manner in the prosecution of said above-referenced application or in the preparation or
