ASSIGNMENT

WHEREAS, **G. G. Safe, Inc.**, having a place of business at **Haela 7, Bat-Hefer, Israel 42842** (hereinafter referred to as Assignor), has acquired an interest in an invention pertaining to certain new and useful improvements in **Direct Current Power Supply**, for which an application for United States Letters Patent was assigned U.S. Application No. 11/385209 filed March 21, 2006; and,

WHEREAS, **EVEREADY BATTERY COMPANY, INC.**, a corporation of the State of Delaware, having a place of business at 533 Maryville University Drive, St. Louis, Missouri, 63141, (hereinafter referred to as Assignee), is desirous of acquiring the entire right, title and interest in and to said invention and in and to any Letters Patent that may be granted therefore in the United States and in any and all foreign countries.

WHEREAS, for purposes of this Assignment Agreement, "Joint Title" shall mean that both Assignor and Assignee (Parties) are joint owners of the invention, and both Assignor and Assignee may make, sell, offer to sell or sell any product covered by the invention only if that Party has the written permission of the other Party. Neither party holding Joint title to an invention may assign its respective right in the invention without the written permission of the other Party. Furthermore, for purposes of US Code Title 35, Section 262, this Assignment is an "agreement to the contrary." Each Joint Title holder is a patent owner for purposes of US Code Title 35, Section 271 and other enforcement Sections.

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00), the receipt of which is hereby acknowledged, and for other good and valuable considerations, Assignor hereby sells, assigns and transfers unto said Assignee, Joint Title and interest to the said invention in the United States and its territorial possessions and Joint Title and interest in and to any and all Letters Patent which may be granted therefor in the United States and its territorial possessions and in and to any and all divisions, reissues, continuations, continuations-in-part, and extensions thereof, including the full right to claim for any such applications the benefits of the International Convention.

Assignor hereby authorizes and requests the Patent Office Officials in the United States and in any and all foreign countries to issue any and all of said Letters Patent, when granted, to said Assignee as the owner of the entire right, title, and interest in and to the same, for the sole use and behoof of the said Assignee, its successors and assigns.

FURTHER, Assignor agrees to communicate to said Assignee or its representatives, any facts known to Assignor respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuation, substitution, renewal and reissue applications, execute all necessary assignment papers to cause any and all of said Letters Patent to be issued to Assignee, make all rightful oaths and generally do everything possible to aid said Assignee, its successors and assigns, to obtain and enforce proper protection for said invention in the United States and in any and all foreign countries.

IN TESTIMONY WHEREOF, I have hereunto set my hand.

Date: April 24 2006
