IN THE UNITED STATES PATENT AND TRADEMARK OFFICE
ASSIGNMENT
(005092-00077)

WHEREAS we, Dan M. Leatzow, P.O. Box 174, Buite, MT 59703 and David Strand of 16 Nason Hill Lane, Sherborn, MA 01770, together with Cornelius Ivory 790 S. E. Edge Knoll Drive, Pullman, WA 99163 and Noah I. Tracy of 375 N.E. Terre View Drive #102, Pullman, WA 99163 are the inventors of certain new and useful improvements or inventions in **Vortex-Stabilized Electrophoretic Devices and Methods** (herein after referred to as the "Invention"), for which we have filed on August 4, 2005 an application of that name for Letters Patent of the United States, assigned by the U.S. Patent and Trademark Office **U.S. Serial No. 10/544,511** (hereinafter referred to as the "Application;") and we hereby authorize our attorneys of record in the Application to insert in the foregoing space the U.S. application number assigned to the Application by the United States Patent and Trademark Office); and

WHEREAS, Protasis Corporation (hereafter "Protasis"), a corporation organized and existing by virtue of the laws of the Commonwealth of Massachusetts, having its principal place of business at 734 Forest Street, Marlborough, Massachusetts 01752, County of Middlesex, Massachusetts is desirous of acquiring the entire right, title, and interest in and to the Invention and the Application, and in and to any and all Letters Patent which may be granted on or as a result thereof in any country:

NOW, therefore, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, we by these presents do sell, assign and transfer to Protasis, its successors, assigns and legal representatives (hereinafter "Nominees"), the full and exclusive right, title, and interest for the United States of America and all other countries in and to the Application and the Invention, and we hereby request the Commissioner of Patents and Trademarks to issue said Letters Patent to Protasis, as the assignee;

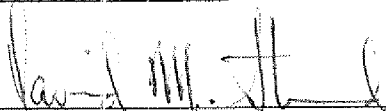

AND WE authorize Protasis or its Nominees to file in my name or their own, an appropriate application for Letters Patent in all countries of the world, and we authorize and request the Commissioner of Patents and Trademarks of the United States, and any proper official of any country, to issue to said Protasis or its Nominees any and all Letters Patent for said Invention for their sole use, to the full end of the term for which such Letters Patent may be granted.

AND WE covenant that we have full right to convey the entire interest herein assigned, and that we have not executed and will not execute any agreement or do anything in conflict herewith;

005092-00077

AND WE FUTURE convey to said assignee the entire right, title and interest in any application made in its own behalf for protection of said Invention in all countries and we do hereby covenant that we will without undue delay at any time upon request, without further or additional consideration, execute such additional assignments and other writings and do such additional acts as said assignee may deem necessary or desirable to perfect the assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, continuation, divisional, renewal, reissued or extended Letters Patent of the United States or of any and all other countries on said Invention, and in enforcing any rights or causes of action accruing as a result of such applications or patents, and by executing preliminary statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind, and inure the benefit of, the assigns and legal representatives of both parties.

Executed the 5th day of May, 2005.
