ASSIGNMENT

Docket No.: CCAL-25,905

WHEREAS I, **Greg D. Simpson**, 1422 Sweet Stone Court, Seabrook, TX 77586 am the first and sole inventor of a "**METHOD FOR REMOVING IRON DEPOSITS IN A WATER SYSTEM**" for which I have executed an application for Letters Patent of the United States of America of even date herewith; and,

WHEREAS, ChemCal, Inc., a corporation organized and existing under the laws of the State of Texas, having its principal office and place of business at 635 Westport Parkway, Suite 312, Grapevine, Texas 76051, is desirous of obtaining the entire right, title and interest in, to and under the said invention and the said application in the United States of America and in any and all countries foreign thereto;

NOW, THEREFORE, for One Dollar (\$1.00), the receipt of which is hereby acknowledged, and other good and valuable consideration, I have sold, assigned, transferred and set over, and by these presents do hereby sell, assign, transfer and set over, unto the said ChemCal, Inc., its successors, legal representatives, and assigns, my entire right, title and interest in, to and under the said invention, and the said application, and all divisional, renewal, substitutional, and continuing application thereof, and all Letters Patent of the United States of America which may be granted thereon and all reissues and extensions thereof, and all applications for Letters Patent which may be filed for said invention in any country or countries foreign to the United States of America, including all rights or priority, all rights to publish cautionary notices reserving ownership of said invention, all rights to register said invention in appropriate registries, and all Letters Patent which may be granted for said invention in any country or countries foreign to the United States of America and all extensions, renewals and reissues thereof, and I hereby authorize and request the Commissioner of Patents and Trademarks of the United States of America, and any official of any country or countries foreign to the United States of America, whose duty it is to issue patents on applications as aforesaid, to issue all Letters Patent for said invention to the said ChemCal, Inc., its successors, legal representatives and assigns, in accordance with the terms of this instrument.

AND I HEREBY covenant that I have full right to convey the entire interest herein assigned, and that I have not executed, and will not execute any agreement in conflict herewith.

AND I HEREBY further covenant and agree that I will communicate to said ChemCal, Inc., its successors, legal representatives and assigns, any fact known to me respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, renewal, substitutional, continuing and reissue applications, make all rightful declarations and/or oaths and generally do everything possible to aid the said ChemCal, Inc., its successors, legal representative and assigns, to obtain and enforce proper patent protection for said invention in all countries.

IN TESTIMONY WHEREOF, I have hereunto set my hand the day and year set opposite my signature.
