ASSIGNMENT

WHEREAS WE, BRIAN SKERRY of Chandler, Arizona, GEORGE DAVIES of White Rock, British Columbia, DAN BOSSLER of Osgoode, Ontario, JOHN W. JONES of Gloucester, Ontario, respectively, have made a certain new and useful invention as set forth in an application for United States Letters Patent, entitled SATELLITE TRUNKED RADIO SERVICE SYSTEM,

executed by us on the date of execution of this document, as shown below, and filed concurrently herewith;
OR

for which an application for United States Letters Patent was filed on September 18, 1996, and identified by United States Serial No. 08/718,133;

AND WHEREAS, TMI Communications and Company, Limited Partnership, and having an address of 1601 Telesat Court, P.O. Box 9826, Ottawa, Ontario, Canada K1G5M2 is desirous of acquiring the entire right, title and interest in and to said invention and in and to any and all Letters Patent of the United States, Canada and foreign countries which may be obtained therefor;

NOW, THEREFORE, for good and valuable consideration, We do hereby sell, assign, transfer and set over unto TMI Communications and Company, Limited Partnership, its legal representatives, successors, and assigns, our entire right, title and interest in and to said invention as set forth in the above-mentioned application, including provisional patent application serial number 60/003,989 filed September 19, 1995, and any continuations, continuations-in-part, divisions, reissues, re-examinations or extensions thereof, and in and to any and all patents of the United States, Canada and foreign countries which may be issued for said invention;

UPON SAID CONSIDERATIONS, We hereby agree with the said assignee that We will not execute any writing or do any act whatsoever conflicting with these presents, and that We will, at any time upon request, without further or additional consideration but at the expense of said assignee, execute such additional assignments and other writings and do such additional acts as said assignee may deem necessary or desirable to perfect the assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, continuations, continuations-in-part, reexamined, reissued, or extended Letters Patent of the United States, Canada or of any and all foreign countries on said invention, and in enforcing any rights or choses in action accruing as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents, and by executing preliminary statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind, and inure to the benefit of the assigns and legal representatives of assignor and assignee;

AND We request the Commissioner of Patents and Trademarks to issue any Letters Patent of the United States which may be issued for said invention to said TMI Communications and Company, Limited Partnership, its legal representatives, successors or assigns, as the sole owner of the entire right, title and interest in and to said patent and the invention covered thereby.
