**RELEASE OF INTELLECTUAL PROPERTY SECURITY INTEREST**

This Release of Intellectual Property Security Interest (the "Agreement"), dated February 6, 2006 by Deutsche Bank AG London (the "Assignor"), as security agent for the Senior Finance Parties (as defined in the Facility Agreement referred to below), in favor of Armacell Enterprise GmbH (the "Assignee").

WHEREAS, Assignor has entered into a Facility Agreement dated April 27, 2000 (said Agreement, as it may hereafter be amended, amended and restated, supplemented or otherwise modified from time to time, being the "Facility Agreement") with the Parent, the Arranger, the Original Bank, the Facility Agent, the Syndication and Documentation Agent, Armacell United States Holdings, Inc., Armstrong Insulation Products LLC, and certain other companies whose names are identified in Schedule 2 thereto as Borrowers and Guarantors (each as defined therein). Terms defined in the Facility Agreement and not otherwise defined herein are used herein as defined in the Facility Agreement;

WHEREAS, in connection with the Facility Agreement, Assignee has executed and delivered that certain Security Agreement dated March 7, 2002 made by Assignee to Assignor (as amended, amended and restated, supplemented or otherwise modified from time to time, the "Security Agreement");

WHEREAS, under the terms of the Security Agreement, Assignee has granted a security interest in, among other property, certain intellectual property of Assignees to Assignor for the ratable benefit of the Senior Finance Parties, and agreed as a condition thereof to execute that certain Intellectual Property Security Agreement, dated March 7, 2002 (as amended, amended and restated, supplemented or otherwise modified from time to time, the "IP Security Agreement"), for recording with the U.S. Patent and Trademark Office, the U.S. Copyright Office and other governmental authorities;

WHEREAS, the IP Security Agreement was recorded in the United States Patent and Trademark Office on April 12, 2002 at Reel/Frame 012795/0441, and on April 15, 2002 at Reel/Frame 02492/0812;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby agrees as follows:

**SECTION 1. Release of Security Interest.** Assignor hereby releases and conveys to Assignee, without recourse, representation or warranty of any kind, Assignor's security interest in and to all of such Assignee's right, title and interest in and to the Collateral, as defined in the IP Security Agreement, including the following:

(i) the patents and patent applications set forth in Schedule A hereto, together with all reissues, divisions, continuations, continuations-in-part, extensions and reexaminations thereof, and all rights therein provided by international treaties or conventions (the "Patents");

(ii) the trademark and service mark registrations and applications for registration thereof set forth in Schedule B hereto, together with all rights therein provided by international treaties or conventions (but excluding any

United States intent-to-use trademark application prior to the filing and acceptance of a Statement of Use or an Amendment to Allege Use in connection therewith to the extent that a valid security interest may not be taken in such an intent-to-use trademark application under applicable law) (the "Trademarks");

(iii) the copyrights (whether registered or not) now owned or hereafter acquired by Assignee, together with all rights therein provided by international treaties or conventions, including, without limitation, the copyright registrations and applications and exclusive copyright licenses set forth in Schedule C hereto (the "Copyrights");

(iv) any and all claims for damages for past, present and future infringement, dilution, misappropriation, violation or breach with respect to the Patents, Trademarks and Copyrights, with the right, but not the obligation, to sue for and collect, or otherwise recover, such damages; and

(v) any and all proceeds of or arising from the foregoing.

SECTION 2. Recordation. Assignor authorizes and requests that the Register of Copyrights, the Commissioner of Patents and the Commissioner of Trademarks and any other applicable government officer record this Release of Intellectual Property Security Interest.

SECTION 3. Governing Law. This Release of Intellectual Property Security Interest shall be governed by, and construed in accordance with, the laws of the State of New York.

IN WITNESS WHEREOF, Assignor has caused this Release of Intellectual Property Security Interest to be duly executed and delivered by its officer thereunto duly authorized as of the date first above written.
