## A S S I G N M E N T

WHEREAS, we, David McCutchen and Craig Adkins of Portland, the State of Oregon, (ASSIGNORS) have invented a certain invention entitled **Spinning Camera Enclosure for Environmental Protection**, for which we have made application for Letters Patent of the United States, said application being filed herewith; and

WHEREAS, Immersive Media Company, a corporation organized under the laws of the State of Oregon, (ASSIGNEE) having a place of business at 2407 SE 10th Ave., Portland OR 97214, is desirous of acquiring an interest therein:

NOW, THEREFORE, in exchange for good and valuable consideration, the receipt of which is hereby acknowledged, ASSIGNORS hereby sell, assign and transfer unto ASSIGNEE, the entire right, title and interest in and to said invention, said application and any and all letters patent which may be granted for said invention in the United States of America and its territorial possessions and in any and all foreign countries, and in any and all divisions, reissues and continuations thereof, including the right to file foreign applications directly in the name of ASSIGNEE and to claim priority rights deriving from said United States application to which said foreign applications are entitled by virtue of international convention, treaty or otherwise, said invention, application and all letters patent on said invention to be held and enjoyed by ASSIGNEE and its successors and assigns for their use and benefit and of their successors and assigns as fully and entirely as the same would have been held and enjoyed by ASSIGNORS had this assignment, transfer and sale not been made. ASSIGNORS hereby authorize and request the Commissioner of Patents and Trademarks to issue all letters patent on said invention to ASSIGNEE. ASSIGNORS agree to execute all instruments and documents required for the making and prosecution of applications for United States and foreign letters patent on said invention, for litigation regarding said letters patent, or for the purpose of protecting title to said invention or letters patent therefor.
