Docket Number: T&B 1844 DES
Title of Invention "NEMA COMBO UNIT"
Serial No.: _____
Filed: _____

Including all U.S. and Foreign rights, title and interest in the invention

WHEREAS, I/We, the above-identified inventor(s) have invented certain new and useful improvements identified and described above (hereinafter referred to as "Invention");

WHEREAS, Assignee desires to acquire the entire right, title and interest in the Invention and under the Letters Patent, and similar protection to be obtained, worldwide;

AND, WHEREAS, I/WE, the inventor(s), in consideration of US\$1.00 and other good and valuable consideration, the receipt of which is hereby acknowledged, desire to and do hereby assign sell and transfer unto Assignee, its successors and assigns, all right, title and interest that I/we may have or possess throughout the United States, its territories and all foreign countries (I) in and to the Invention including any and all copyright therein; (ii) the registration and/or application identified above including all priority and Convention rights; (iii) any and all proprietary rights arising from the Invention or that claim priority thereto including any provisional, utility, copyright or design application and any division, reissue, continuation, continuation in part, certificate of reexamination, substitution, derivative work, compilation or extension thereof; and, (iv) in and to any and all Letters Patent or other registration or certificate of the United States and countries foreign thereto which may be granted on the Invention or which has granted or exists with respect to the Invention, together with all rights of action and recovery for past infringement thereof, for the full term or terms for which any and all such patent or other rights may be granted or exist;

AND, I/WE, further agree to sign and execute all necessary and lawful future documents, including but not limited to applications for foreign patents or certificates; for filing design, division, continuation-in-part, continuation, reexamination or copyright applications; for obtaining any reissue of any Letters Patent which may be granted for the aforesaid Invention; for making rightful oaths, testifying as needed and other acts to aid Assignee in obtaining and enforcing the rights herein conveyed or hereinafter acquired in all countries; and as the Assignee or its Designee(s) may from time to time require and prepare at its own expense. This assignment is to be binding on my heirs and legal representatives.
