INVENTION ASSIGNMENT

Whereas, I, Bryan D. Mansfield, have invented a new, original, and ornamental design for a Shot Glass, described in U.S. patent application serial no. 29/241,046, filed on 10/21/2005, as an outgrowth of inventions assigned to Hurricane Shooters, LLC, a Florida corporation (hereinafter Assignee) having a principal address of 2306 60th Drive East, Bradenton, FL 34204; and

Whereas, as a Member of Assignee, I have received good and valuable consideration for the entire rights, title and interest in the invention.

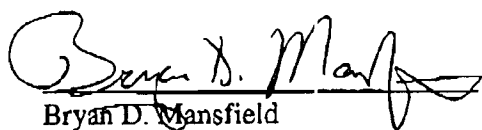

Now, therefore, I hereby sell, assign, transfer and set over to Assignee, its successors or assigns, the entire rights, title and interest in the invention and any improvements thereon including utility inventions related thereto; said application and all divisions, substitutions, continuations, and continuations-in-part thereof; any U.S. patents that may issue therefrom and any reissues or reexaminations thereof; and any foreign rights or patents which may issue therefrom; and

I hereby authorize and request the Director of the U.S. Patent and Trademark Office to issue any U.S. Letters Patent to said Assignee as assignee of the entire rights, title and interest; and

I hereby covenant that we have the full right to convey the entire interest herein assigned and have not and will not execute any assignment in conflict herewith; and

I hereby further agree that, for reasonable compensation, I will communicate to Assignee any facts know to me respecting said improvements and testify in any legal proceeding, sign all lawful papers, including Declarations for any further U.S. applications that so require them and such papers as are required to obtain patents in foreign countries, and generally do everything to aid Assignee in obtaining patents of any sort in this and all foreign countries.

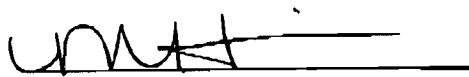

Executed this 24th day of MARCH, 2006
in the City of Las Vegas, State of Nevada by:

Bryan D. Mansfield

WITNESSES:

On the date shown above, before us personally appeared Bryan D. Mansfield, known to us, who acknowledged the signing of this instrument to be his free act and deed and represented that he was authorized to execute the same.
