ASSIGNMENT

WHEREAS, **Stephen Frank Meier** of 4530 Mayfield Court, Fremont, CA 94536, and **David H. Ferry** of 108 View Drive, Boulder Creek, CA 95006, have invented a new and useful "**HARD DISK INSPECTION METHOD AND SYSTEM**" for which an application for United States Letters Patent, U.S. Patent Application Serial No. _____, filed _____, has been or will be filed; and
; and

WHEREAS, Assignors believe themselves to be the original and joint inventors of the invention disclosed in the application for Letters Patent; and

WHEREAS, **MRA Tek, LLC**, a California Limited Liability Company, having a place of business at 47073 Warm Springs Boulevard, Fremont, CA 94539, Assignee, desires to acquire by formal assignment the entire right, title and interest in and to the invention, the application, and any Letters Patent that might be granted for the invention in the United States and throughout the world;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignors hereby sell, assign and transfer to Assignee, the entire right, title and interest in and to the invention, the application, and any Letters Patent that might be granted for the invention in the United States and throughout the world, including the right to file foreign applications directly in the name of Assignee and to claim for any such foreign applications any priority rights to which such applications are entitled under international conventions, treaties or otherwise.

Further, Assignors agree that, upon request and without further compensation, they and their legal representatives and assign will perform all lawful acts, including the execution of papers and the giving of testimony, that might be necessary or desirable for obtaining, sustaining, reissuing or enforcing Letters Patent in the United States and throughout the world for the invention, and for perfecting, recording or maintaining the title of Assignee, its successors and assigns, to the invention, the application, and any Letters Patent granted for the invention in the United States and throughout the world.

Assignors represent and warrant that they have not granted and will not grant to others any rights inconsistent with the rights granted by this Assignment.

Assignors authorize and direct Assignee's attorneys to insert the serial number and filing date of said application now identified as attorney docket number 10PH-123046 in the space provided above after the same shall have been made known to them by the United States Patent and Trademark Office.

Assignors authorize and request the Commissioner of Patents and Trademarks of the United States and of all foreign countries to issue any Letters Patent granted for the invention, whether on the application or on any subsequently filed division, continuation, continuation-in-part or reissue application, to Assignee, its successors and assigns, as the assignee of the entire interest in the invention.
