ASSIGNMENT

In consideration of good and valuable consideration, the receipt of which is hereby acknowledged, to my (our) full satisfaction, I (we),

Koefod, (Robert) Scott, 9864 Hemlock Way, Maple Grove, Minnesota 55369

hereby sell and assign to CARGILL, INCORPORATED, a Delaware corporation having its principal place of business at 15407 McGinty Road West, Wayzata, Minnesota 55391-5624, the entire right, title and interest, in the United States and all territories thereof and in all foreign countries, in and to all the inventions ("Inventions") in:

DEICER COMPOSITION (DYED SALT)

[] for which an application for a United States Patent is being filed contemporaneously herewith;
 [x] identified as U.S. Application Serial Number 11/270,323, filed 11/08/05;
 [] identified as International Patent Application Serial No. PCT/ / and filed on

and naming me (us) as inventor(s); and the entire right, title and interest in and to said application and all original and reissue patents granted for any of said Inventions, and all divisions and continuations of said application and patents granted thereon, and all applications for any of said Inventions filed in countries foreign to the United States and patents granted thereon, including the subject matter of any and all claims which may be obtained in all such patents; and the right to apply for and obtain patents in countries foreign to the United States including the right to claim for any foreign application the benefits of any convention including but not limited to the International Convention for the protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other treaties of like purpose including the right to claim priority in accordance with such convention, and any other benefits available through the laws of these foreign countries with respect to patent applications as fully and entirely as I (we) could claim such benefits; and the right to file applications for patents and otherwise to apply for and obtain any patents for said Inventions in its own name in any country.

And I (we) hereby covenant that I (we) have full right to convey the entire interest herein assigned, and that I (we) have not executed and will not execute any agreement in conflict herewith; and I (we) agree that I (we) will communicate to CARGILL, INCORPORATED all facts known to me (us) respecting said Invention whenever requested by it, and will execute all instruments or documents requested by it for the filing and prosecution of applications for Letters Patent of the United States of America and all foreign countries on said Invention, or in connection with litigation regarding said Invention, or for the purpose of protecting title to said Invention or Letters Patent therefore in the United States or foreign countries and will testify in any legal proceedings relating thereto, at the request of CARGILL, INCORPORATED, all without further or other compensation than that above set forth, but otherwise at the cost of CARGILL, INCORPORATED.

And I (we) further covenant and agree that if and when CARGILL, INCORPORATED desires to file a disclaimer relating to said Inventions in the United States or any foreign country, I (we) will, upon its request, sign and deliver all papers requisite for the filing of such disclaimer.
