ASSIGNMENT

For good and valuable consideration, We, Peter WOOD, Simon Howden MORRIS, Timothy John NEWTON, and Peter William STEPHENSON, British subjects residing at Cambridge, England, hereinafter referred to as Assignors, hereby sell, assign and transfer to Cambridge Silicon Radio Limited, a Corporation organized and existing under the laws of the United Kingdom, having its principal place of business at Cambridge Science Park, Milton Road, Cambridge, England CB4 0WN, hereinafter referred to as Assignee, its successors, assigns and legal representatives, the entire right, title and interest, in and for the United States of America, in and to any and all inventions which are disclosed in the application for United States Letters Patent, which has been executed by the undersigned and filed in the United States on February 9, 2006 as Serial No. 11/307,480, and is entitled:

SELECTING MODULATION AND AMPLIFICATION IN A TRANSMITTER

in and to said application and all divisional, continuing, substitute, renewal, reissue, and all other applications for Letters Patent which have been or shall be filed in the United States and all foreign countries on any of said inventions; and in and to all original and reissued patents which have been or shall be filed in the United States on said inventions;

Assignors agree that Assignee may apply for and receive Letters Patent for said inventions in its own name;

Assignors agree that, at the request of the Assignee and, without charge to but at the expense of said Assignee, Assignors will carry out in good faith the intent and purpose of this Assignment; execute all divisional, continuing, substitute, renewal, reissue, and all other patent applications on any and all said inventions; execute all rightful oaths, assignments, powers of attorney and other papers; communicate to Assignee, all facts known to the undersigned relating to said inventions and the history thereof; and generally do everything possible which Assignee shall consider desirable for aiding in securing and mainlining proper patent protection for said inventions and for vesting title to said inventions, and all applications for patents and all patents on inventions in said Assignee;

Atty.Dkt.No.: 8054.012.NPUS00

Covenant with Assignee that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.
