ASSIGNMENT

We, ROLAND GIVORD, ERIC ROZIER, and VIVIANE COQUARD

having invented certain novel and useful inventions and discoveries in:

PEELABLE HOT MELT ADHESIVE

for which an application for United States Letters Patent was filed February 28, 2006 and assigned Serial No. 11/364,301.

do hereby sell, assign, transfer and set over to

National Starch and Chemical Investment Holding Corporation, (a corporation of the State of Delaware), 1000 Uniqema Boulevard, New Castle, Delaware 19720, and **its successors and assigns**,

for good and valuable **consideration**, the receipt of which is hereby acknowledged,

the **entire and exclusive right, title, and interest** in and to the inventions described in the application for Letters Patent, to the application for Letters Patent, and to the Letters Patent to be obtained from the application for said invention, and to any and all reissues, divisions, extensions, or continuations of any Letters Patent, and to any Letters Patent that may be applied for or granted for said invention in foreign countries,

and the entire and exclusive right to have and claim the priority of invention in all foreign countries, pursuant to the provisions of the International Convention for the Protection of Industrial Property, based on said application, including all rights to any accrued damages arising out of infringement during the time preceding and following grant of the Letters Patent and execution or recording of this assignment; and

we hereby request the Director of the United States Patent and Trademark Office to issue said Letters Patent to said National Starch and Chemical Investment Holding Corporation, its successors and assigns as the assignee of our interest; and

we hereby agree to execute any further papers necessary to secure said assignee in its full and complete enjoyment of its right to said invention, application, Letters Patent, reissues, divisions, extensions and continuations; and

we hereby authorize the insertion of the serial number into this assignment upon notification by the United States Patent and Trademark Office.
