ASSIGNMENT

This Assignment made by Randy L. Bouchez, Assignor, of 2731 Erringer Road, No. 55, Simi Valley, California 93065 to NOGIN SOX, INC., Assignee, a corporation organized under the laws of the State of California, U.S.A., having a business address at 42309 Winchester Road, Suite I, Temecula, California 92590, is made on and effective as of July 29, 2004.

WHEREAS, Assignor has invented a new, original and ornamental design entitled HELMET COVER, for which an application for United States Letters Patent was filed on March 22, 2004 under Serial No. 29/201,865; and

WHEREAS, Assignor believes himself to be the original, first and sole inventor of the invention disclosed and claimed in said application for Letters Patent; and

WHEREAS, Assignee desires to acquire by formal, recordable assignment the entire right, title and interest in and to said invention, said application and any Letters Patent that may be granted for said invention in the United States and throughout the world;

NOW, THEREFORE, in consideration of the sum of ten dollars (\$10.00) and of other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby sells, assigns and transfers to Assignee, the entire right, title and interest in and to said invention, said application and any Letters Patent that may be granted for said invention in the United States of America and throughout the world, including the right to file foreign applications directly in the name of the Assignee and to claim for any such foreign applications any priority rights to which such applications are entitled under international conventions, treaties or otherwise.

FURTHER, Assignor agrees that, upon request and without further compensation, but at no expense to Assignor, he and his legal representatives and assigns will do all lawful acts, including the execution of papers and the giving of testimony, that may be necessary or desirable for obtaining, sustaining, reissuing, or enforcing any Letters Patent in the United States of America and throughout the world for said invention, and for perfecting, recording or maintaining the title of Assignee, its successors and assigns, to said invention, said application and any Letters Patent granted for said invention in the United States of America and throughout the world.
