

ASSIGNMENT

THIS ASSIGNMENT, by Nicholas S. Bodor, a citizen of the United States residing at 10225 Collins Avenue, Unit 1002-4, Bal Harbour, FL 33154 US, hereinafter referred to as the assignor, witnesseth:

WHEREAS, the said assignor is the owner by virtue of an Assignment recorded in the United States Patent and Trademark Office on December 7, 2001, at Reel 012350, Frame(s) 0175-0179 of the invention pertaining to certain new and useful improvements in:

AMINO ACIDS CONTAINING DIHYDROPYRIDINE RING SYSTEMS FOR SITE-SPECIFIC DELIVERY OF PEPTIDES TO THE BRAIN

set forth in United States Patent No. 4,888,427, issued December 19, 1989, and

WHEREAS, RODOB DRUG RESEARCH INC., a corporation of Florida, of 3929 SW 69th Avenue, Gainesville, FL 32608 US (hereinafter referred to as the assignee) is desirous of acquiring the entire right, title and interest in and to said invention and said patent of the United States, and in and to any Letters Patent or Patents, United States or foreign, to be obtained therefor and thereon:

NOW, THEREFORE, for One Dollar (\$1.00) and other good and sufficient consideration, the receipt of which is hereby acknowledged, the said assignor by these presents does assign, transfer and set over, unto the said assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to the above-mentioned invention and patent, and any and all Letters Patent or Patents in the United States of America and all foreign countries which may be granted therefor and thereon, and in and to any and all divisions, continuations, or reissues of said Letters Patent or Patents, and all rights under the International

U. S. Patent No. 4,888,427

Convention for the Protection of Industrial Property, the same to be held and enjoyed by the said assignee, for its own use and behoof and the use and behoof of its successors, legal representatives and assigns, to the full end of the term or terms for which Letters Patent or Patents may be granted, as fully and entirely as the same would have been held and enjoyed by the assignor, had this assignment not been made.

AND for the same consideration, the said assignor hereby covenants and agrees to and with said assignee, its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, the said assignor is the sole and lawful owner of the entire right, title and interest in and to the said invention and the United States patent above mentioned, and that the same are unencumbered and that the said assignor has good and full right and lawful authority to sell and convey the same in the manner herein set forth.

AND for the same consideration, the said assignor hereby covenants and agrees to and with the said assignee, its successors, legal representatives and assigns, that the said assignor will, whenever counsel of the said assignee, or the counsel of its successors, legal representatives and assigns, shall advise that any proceeding in connection with said invention, or said patent, or any proceeding in connection with Letters Patent for said invention in any country, including interference proceedings, is lawful and desirable, or that any division or continuation of any application for Letters Patent, or any reissue of any Letters Patent, to be obtained thereon, is lawful and desirable, sign all papers and documents, take all lawful oaths, and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of Letters Patent for said invention, without
