## ASSIGNMENT

WHEREAS, the undersigned, Frank J. BARESICH, a US citizen residing at 102 Oldfield Court, Centerville, GA 31028, and Robert F. THOMPSON, a US citizen residing at 1 Landing Drive, Kennebunk, ME 04043 (hereinafter individually and collectively referred to as "ASSIGNORS") are inventors of certain inventions or improvements for a MOLD AND PROCESS FOR MAKING A VERY THIN WALL ARTICLE, which an international application under the Patent Cooperation Treaty is being filed on March 31, 2004, claiming the Paris Convention priority of United States Provisional Patent application SN 60/459,104, filed April 1, 2003, and incorporating additional subject matter;

WHEREAS, Thermal Wave Molding Corp., a FL corporation having a mailing address of 3801 N. E. 207th Street, Unit 902, Aventura, FL 33180 (hereinafter referred to as "ASSIGNEE") is desirous of acquiring the entire right, title and interest in and to the said inventions or improvements and in and to said application for patent, and in, to and under any and all Letters Patent which may be granted on or as a result thereof in any or all of the countries designated, and including the right to claim priority;

NOW, THEREFORE, for and in consideration of the sum of One Dollar (\$1.00) in hand paid by said ASSIGNEE, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the said ASSIGNORS, have sold, assigned, transferred and set over, and by these presents do hereby sell, assign, transfer and set over, to said ASSIGNEE, the entire right, title and interest in and to said inventions or improvements and said application and any and all continuations, divisions, and renewals of and substitutes for said application, and in, to and under any and all Letters Patent which may be granted on or as a result thereof in any and all countries, including any reissue or reissues or extension or extensions of said Letters Patent and including the right to claim priority, the same to be held and enjoyed by said ASSIGNEE, its successors, assigns, nominees or legal representatives, to the full end of the term or terms for which said Letters Patent respectively may be granted, reissued or extended, as fully and entirely as the same would have been held and enjoyed by ASSIGNORS had this assignment, sale and transfer not been made.

AND the undersigned ASSIGNORS hereby covenant that they have full right to convey the entire interest herein assigned, and that they have not executed and will not execute any agreement in conflict herewith, and further covenant and agree that they will each time request is made and without undue delay, execute and deliver all such papers as may be necessary or desirable to perfect the title to said inventions or improvements, said application and said Letters Patent in said ASSIGNEE, its successors, assigns, nominees, or legal representatives, and agrees to communicate to said ASSIGNEE or to its nominee all known facts respecting said inventions or improvements, said application and said Letters Patent, to testify in any legal proceedings, to sign all lawful papers, to execute all disclaimers and divisional, continuing, and reissue applications, to make all rightful oaths, and generally to do everything possible to

aid said ASSIGNEE, its successors, assigns, nominees and legal representatives to obtain and enforce for its own benefit proper patent protection for said inventions or improvements in any and all countries where ASSIGNEE or its successors shall in their sole discretion seek such protection;

IN WITNESS WHEREOF, ASSIGNORS hereunto set their hand and seal, intending to be legally bound.
