Assignment

Whereas I, Evan H. Zimmerman, of Houston, Texas, hereinafter referred to as Applicant, have invented certain new and useful improvements in apparatus and method for installation of marine anchors, for which a United States regular patent application was filed on October 29, 2004, Application serial number 10/977,960, and titled "Apparatus and Method for Gravity Anchor Installation," and

Whereas, Delmar Systems, Inc., P.O. Box 129, Broussard, Louisiana 70518, herein referred to as Assignee, is desirous of acquiring all of Applicant's rights, title and interest in said regular patent application, and other rights as described herein;

Now, therefore, in consideration of the sum of one dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which is acknowledged, I, Applicant, by these presents do sell, assign and transfer unto Assignee all of my rights to said invention, worldwide, and all of my rights, title and interest in and to any and all patent applications (provisional and regular, United States, international and foreign) which claim priority thereto, and to any and all patents which may be granted on any of said applications in the United States and elsewhere. I hereby authorize and request the Commissioner of Patents and Trademarks to issue any of said United States Patents to Assignee, of Applicant's entire right, title and interest in and to the same, for Assignee's sole use and benefit; and for the use and benefit of its legal representatives, to the full end of the term for which any of said patents may be granted, as fully and entirely as the same would have been held by me had this assignment and sale not been made. I further agree to take such further action and to execute such further documents as are reasonably necessary to fully vest Assignee with the rights described herein and intended to be conveyed hereby.

Executed this 23rd day of December, 2005, at 3:15 pm.

Evan H. Zimmerman

Before me personally appeared said Evan H. Zimmerman and acknowledged the foregoing instrument to be his free act and deed this 23rd day of December 2005.
