Assignment

Whereas, we:

Bradley R. Mason, of Rancho Santa Fe, County of San Diego, State of California;
and
Aadel Al-Jadda of Encinitas, County of San Diego, State of California,

respectively, have invented certain improvements in:

Rotational Hinge Assembly for a Knee Brace Having an Osteoarthritis Treatment
Function

hereinafter called the "invention" and disclosed in United States Patent Application Serial
No. 11/404,500 filed on April 13, 2006, and

Whereas, the Assignee, Breg, Inc., a corporation of the State of California, having a
principal place of business at 2611 Commerce Way, Vista, California 92081, desires to
acquire the entire right, title and interest in the invention and said patent application, and
to any United States and foreign patents to be obtained therefor;

Now therefore, for good and valuable consideration paid to us by the Assignee, the receipt
and sufficiency of which we hereby acknowledge, we, hereby sell, assign and transfer to
the aforesaid Assignee its successors and assigns:

The entire right, title and interest in said invention in the United States and
foreign countries, including said United States patent application and all
patent applications corresponding to said United States patent application
filed in foreign countries, all Letters Patents issuing thereon in the United
States and foreign countries, all divisional, continuation and
continuation-in-part patent applications of said United States patent
application or corresponding foreign patent applications, and all reissues,
reexaminations, and extensions of Letters Patents issuing thereon; and

The right to file patent applications on said invention in Assignee's own
name, wherever such right may be legally exercised, including the right to
claim the benefits of the International Convention for such applications.

We hereby authorize and request the Director of the United States Patent and Trademark
Office, and such officials in foreign countries as are duly authorized by their patent laws
to issue patents, to issue any and all patents on said invention to the Assignee as the
owner of the entire interest, for the sole use and behoof of the Assignee, its successors,
assigns and legal representatives.

We hereby agree, without further consideration and without expense to us, to sign all lawful
papers and to perform all other lawful acts which the Assignee may request of us to make
this Assignment fully effective.

This assignment and agreement shall be binding upon our heirs and legal representatives.
