ASSIGNMENT

WHEREAS, we, Alfredo C. Issa and Richard J. Walsh, have invented certain improvements computers and data processing for which we have executed an application for United States Patent entitled

Methods, Systems, and Products for Analyzing for Classifying Content Segments.

WHEREAS, Qurio Holdings, Inc., 20 Depot Street, Suite 2A, Peterborough, NH 03458, desires to purchase the same application.

NOW, THEREFORE, for and in consideration of good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, we do sell, assign and transfer unto **Qurio Holdings, Inc.**, full, exclusive and entire right, title and interest: (i) in and to all inventions and improvements disclosed and described in said application, (ii) in and to said application, (iii) in and to any divisional, continuation, and continuation-in-part applications describing in whole or in part said inventions and improvements, preparatory to obtaining Patents of the United States therefore, (iv) in and to all patents, reexaminations and reissues that may be granted in the United States for the aforementioned, (v) in and to any provisional patent applications filed in the United States describing in whole or in part the said inventions and improvements, from which priority may be claimed under Title 35 of the United States Code, and (vi) in and to the right to claim any applicable foreign and domestic priority rights arising from such provisional patent applications or aforementioned applications; We also hereby acknowledge that an obligation for this assignment and for the assignment of all related subject matter arose before the making of the invention and improvements disclosed and described in said application; and we hereby request the Commissioner of Patents to issue any and all Patents of the United States resulting from said application, or from a divisional, continuation, continuation-in-part, or reissue thereof, to, **Qurio Holdings, Inc.** as Assignee, for their interest and for the sole use of **Qurio Holdings, Inc.** and their assigns and legal representatives;

For the same consideration, we do sell, assign and transfer to **Qurio Holdings, Inc.** the full, exclusive and entire right, title and interest in and to any foreign application or applications corresponding to said application, in whole or in part, in countries other than the United States, in and to any Patents and similar protective rights granted on said foreign application, and in and to the right to claim any applicable priority rights arising from or required for said foreign application under the terms of any applicable conventions, treaties, statutes, or regulations; said foreign applications to be filed and issued in the name of **Qurio Holdings, Inc.** and or their respective designees, insofar as permitted by applicable law;
