WHEREAS, Allergan, Inc., a corporation of Delaware, located and doing business at 2525 Dupont Drive, Irving, California 92715, is desirous of acquiring the right, title and interest in, to and under the application for Letters Patent and the invention covered thereby;

NOW, THEREFORE, in consideration of and in exchange for the sum of One Dollar (\$1.00) and other good and valuable consideration, receipt of which is hereby acknowledged, the said Schering Corporation has sold, assigned, transferred and set over, and does hereby sell, assign, transfer and set over to the said Allergan, Inc., the said invention and the Letters Patent which may be granted on said application, the same to be held and enjoyed by the same Allergan, Inc., for its own use and enjoyment, and for the use and enjoyment of its successors, assigns and other legal representatives, to the end of the term or terms for which said Letters Patent of the United States are or may be granted or reissued or reexamined as fully and entirely as the same would have been held and enjoyed by the said Schering Corporation, if this assignment and sale had not been made, together with all claims for damages by reason of past infringement of said Letters Patent, with the right to sue for, and collect the same for its own use and behoof, and for the use

and behoof of its successors, assigns, or other legal representatives.

And said Schering Corporation hereby authorizes and requests the Commissioner of Patents and Trademarks to issue any and all Letters Patent of the United States on said invention, or resulting from said application, or any division or divisions thereof, to said Allergan, Inc. as assignee of the entire interest, and hereby covenants that it has full right to convey the entire interest herein assigned.

IN WITNESS WHEREOF, Schering Corporation has caused these presents to be signed by its officer thereunto duly authorized, and its corporate seal to be hereto affixed.
