ASSIGNMENT of U.S. and Foreign Patent Rights

Attorney Docket No. 2549-0015

(Inventors) **Jonathan Gorrell of Gainesville, FL**
Mark Davidson of Florahome, FL

In consideration of the sum of one dollar (\$1.00) and other good valuable considerations paid to each of the undersigned, the undersigned agree(s) to assign, and hereby do(es) assign, transfer and set over to Virgin Islands Microsystems, Inc. ("VI Micro"), a corporation of the Virgin Islands, having an office and place of business at 9800 Buccaneer Mall; Suite 210; Saint Thomas, Virgin Islands 00802, the undersigned's entire right, title and interest in the invention, all applications filed therefor for patent in the United States and in all foreign countries (including divisional applications, continuation applications, continued prosecution applications, continuation-in-part applications, substitute applications, renewal applications, reissue applications, reexamination applications, extensions, and all other patent applications that have been or shall be filed on the invention), all Letters Patent (including original patents, reissued patents, reexamination certificates, and extensions) which may be granted therefor in the United States and in all foreign countries, and all rights of priority resulting from the filing of any such application, for the invention known as:

(Title) **COUPLING A SIGNAL THROUGH A WINDOW**

for which the undersigned has (have) executed on _____ an application for patent in the United States of America or, if not on even date, then has executed on _____ or has already filed U.S. application Serial No. _____ on _____.

The undersigned acknowledges an obligation of assignment of this invention to VI Micro at the time the invention was made.

The undersigned agree(s) to execute all papers and documents necessary in connection with the application or any interference which may be declared and any provisional-completion, utility, design, continuing or divisional applications thereof and also to execute separate assignments in connection with such applications as VI Micro may deem necessary or expedient and further to perform any act which may be necessary in connection with claims or provisions of the International Convention for Protection of Industrial Property or similar agreements.

The undersigned agree(s) to perform all affirmative acts which may be necessary to obtain a grant of valid United States and corresponding foreign patents to VI Micro.

The undersigned hereby authorize(s) and request(s) the Commissioner of Patents to issue any and all Letters Patent of the United States resulting from said application or any division or divisions or continuing applications thereof to VI Micro, as assignee of the entire interest, and hereby covenants that he has (they have) full right to convey the entire interest herein assigned, and that he has (they have) not executed and will not execute, any agreement in conflict herewith.

The undersigned hereby grant(s) the firm of DAVIDSON BERQUIST JACKSON & GOWDEY LLP the power to insert on this assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent Office for recordation of this document. It is understood and agreed that VI Micro's attorneys Davidson Berquist Jackson & Gowdey LLP have represented only VI Micro and will continue to represent only VI Micro with respect to this invention.

In witness whereof, executed by the undersigned on the date(s) opposite the undersigned signature(s).
