as disclosed or intended to be disclosed and set forth in a nonprovisional application for a United States Patent, Application No. 09/689,339, filed 10/12/2000.

WHEREAS, said nonprovisional application claims priority from my earlier nonprovisional application, Application No. 09/025,161 filed 02/18/98, which in turn claims priority from my United States provisional application, Application No. 60/008,425 filed 12/08/95, (said nonprovisional and provisional applications being hereinafter referred to as "said Applications").

WHEREAS, INTERMEC IP CORP., a corporation organized and existing under the laws of the State of Delaware, and having a place of business at Woodland Hills, California (hereinafter called the "Assignee") is desirous of acquiring the entire interest in all inventions disclosed or intended to be disclosed in said Applications.

NOW, THEREFORE, in consideration of the sum of one dollar (\$1.00) and other good and valuable considerations to me paid by said Assignee, the receipt and sufficiency whereof is hereby acknowledged, I do hereby sell, assign, and transfer unto said Assignee, its successors and assigns, the entire right, title and interest throughout the world in and to all said inventions disclosed or intended to be disclosed in said Applications; and in and to said Applications, including all priority rights for other countries or international or regional intergovernmental organizations arising from said Applications, and in and to all substitutions, divisions, and continuations thereof; and in and to all Letters Patent, United States and foreign, that may be granted for said inventions; and in and to all extensions, reexaminations, and reissues thereof.

And I do hereby authorize and request the Commissioner of Patents and Trademarks of the United States and the duly constituted authorities of foreign countries to issue any Letters Patent which may be granted on said inventions, on any applications related thereto, and on any substitute, continuing, divisional, or reissue applications, or any of them, to said Assignee, its successors and assigns, as assignee of the entire right, title and interest therein and thereto. I authorize insertion of U.S. Application No. hereinabove to further identify the nonprovisional application for patent filed 10/12/2000.

And for the consideration aforesaid, I do hereby, for me and for my legal representatives, further covenant and agree with said Assignee, its successors and assigns,
