ASSIGNMENT

I, Christof Sihler, a citizen of Germany, residing at Am Bach 2b, 85399 Hallbergmoos, Germany, hereby declare that I am the inventor of an invention relating to a **METHOD AND DAMPING DEVICE FOR DAMPING OF A TORSIONAL OSCILLATION IN A ROTATING DRIVE TRAIN** described in PCT Application Number PCT/EP2004/005933 with an international filing date of 2 June 2004, for which the National Phase under Chapter II has been entered in the United States.

For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I hereby sell, assign, and transfer to Max-Planck-Gesellschaft zur Foerderung der Wissenschaften e.V., a German corporation having a place of business at Hofgartenstrasse 8, 80539 Munich, Germany, its successors, assigns and legal representatives, my entire right, title and interest in and to all subject matter of which I am an inventor and which is set forth in the application for Letters Patent of the United States entitled together with the entire right, title and interest in and to all patent applications and patents of every country for such subject matter, including divisions, reissues, continuing applications, and extension thereof, and all rights of priority resulting from the filing of said applications.

I authorize the above-named assignee to apply for patents of foreign countries for such subject matter, and to claim all rights of priority without further authorization from me.

I agree to execute all papers useful in connection with such United States and foreign application, and generally to do everything possible to aid the above-named assignee, its successors, assigns and legal representatives, at their request and expense, in obtaining and enforcing patents for such subject matter in all countries.

I request the Commissioner of Patents and Trademarks to issue all patents granted for such subject matter to the above-named assignee, its successors and assignees.

I hereby covenant and warrant that my assignment is free and clear of all licenses, encumbrances and liens, and that I have not executed and will not execute any instruments to conflict therewith.

Dated: Dec. 13, 2005
