ASSIGNMENT

THIS ASSIGNMENT ("Assignment") is made by and between Contrast Lighting Services, Inc., a California corporation having its principal place of business located at 24531 Mulholland Hwy, Calabasas, California 91302, USA (hereinafter "Assignor") to Litepanels LLC, a California limited liability company having its principal place of business located at 10932 Burbank Blvd, North Hollywood, California 91601, USA (hereinafter "Assignee").

WHEREAS, Assignor owns, by assignment, all right, title and interest in, to and under the patent application entitled **SURFACE-MOUNT SEMICONDUCTOR LIGHTING APPARATUS** for which an application for United States Letters Patent have been filed under the following particulars (hereinafter, the "Patents"); and

<u>Patent Application No.</u>	<u>Filing Date</u>
United States 10/906,911	Filed March 11, 2005

WHEREAS, Assignee desires to own Assignor's entire right, title, and interest in, to and under the Patents and the inventions disclosed therein, in all countries throughout the world;

NOW, THEREFORE, for other good and valuable consideration, the receipt of which is hereby acknowledged:

Assignor hereby sells, assigns, transfers, and sets over to Assignee, Assignor's entire right, title, and interest in, to, and under the Patents and the inventions disclosed therein, including all such Letters Patent of the United States which have been or shall be granted on any of the Patents, and all reissues, reexaminations and extensions thereof, all rights to claim priority on the basis of the Patents, and all corresponding foreign applications that have or may be filed for the inventions and all foreign patents or similar legal protection that have been or may be granted or issued thereon, including all extensions, renewals and reissues thereof, the same to be held and enjoyed by Assignee for its own use and enjoyment, and for the use and enjoyment of its successors, assigns, or other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this assignment and sale had not been made; and, together with all claims for damages by reason of past infringement of the Patents, with the right to sue for such damages, and collect the same for its own use and enjoyment, and for the use and enjoyment of its successors, assigns or other legal representatives.

Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States and any official of any foreign country whose duty it is to issue patents on applications as described above, to issue all Letters Patent for the inventions disclosed in the Patents to Assignee, its successors and assigns, in accordance with the terms of this Assignment.

IN WITNESS WHEREOF, Assignor has caused this Assignment to be
