ASSIGNMENT

We, Rubén A. Migone, citizen of the United States of America, and Sehyun Kim, citizen of the Republic of Korea; whose post office addresses are 228 Kittanning Pike, Pittsburgh, Pennsylvania 15215; and 4119 Windsor Court, Murrysville, Pennsylvania 15668, respectively, hereby declare that we are the inventors of an invention relating to a **PROCESS FOR PRODUCTION OF PROPYLENE COPOLYMERS** described in an application for Letters Patent of the United States of America filed on March 25, 2005 under U.S. Application Number 11/090,523.

For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, we hereby sell, assign, and transfer to Sunoco, Inc. (R&M), a Pennsylvania corporation having a place of business at 1735 Market Street, Philadelphia, Pennsylvania 19103, its successors, assigns and legal representatives, our entire right, title and interest in and to all subject matter of which we are an inventor and which is set forth in the application for Letters Patent of the United States entitled together with the entire right, title and interest in and to all patent applications and patents of every country for such subject matter, including divisions, reissues, continuing applications, and extension thereof, and all rights of priority resulting from the filing of said applications.

We authorize the above-named assignee to apply for patents of foreign countries for such subject matter, and to claim all rights of priority without further authorization from us.

We agree to execute all papers useful in connection with such United States and foreign application, and generally to do everything possible to aid the above-named assignee, its successors, assigns and legal representatives, at its request and expense, in obtaining and enforcing patents for such subject matter in all countries.

We request the Commissioner of Patents and Trademarks to issue all patents granted for such subject matter to the above-named assignee, its successors and assignees.

We hereby covenant and warrant that our assignment is free and clear of all licenses, encumbrances and liens, and that we have not executed and will not execute any instruments to conflict therewith.

Dated: May 2, 2006.
