Therefore, in consideration for the sum of \$1000, the receipt of which is acknowledged, and other good and valuable consideration, the applicant, by these presents do sell, assign and transfer unto said assignee the full and exclusive right to said invention in the United States and the entire rights, title and interest in the Patent.

I hereby authorize and request the Director of the United States Patent and Trademark Office to record this assignment, and transfer the Patent to said assignee, of the entire right, title, and interest in and to the same, for its sole use; and the use of its legal representatives, to the full end of the term for which the Patent may be granted, as fully and entirely as the same would have been held by me had this assignment and sale not been made.
