ASSIGNMENT

WHEREAS, we, LEAH ROTTER, a citizen of the United States of America, residing in Los Angeles, California and TERRENCE J. SCANLAN, a citizen of the United States of America, residing in Long Beach, California, have invented certain new and useful improvements for a design for an ORTHOPEDIC SPLINT, for which we have executed application papers for United States Patent thereon; and

WHEREAS, LENJOY MEDICAL ENGINEERING, INC., a corporation of the State of California, hereinafter called "Assignee", and having a principal place of business at 13112 Crenshaw Blvd., Gardena, California 90249 is desirous of acquiring the entire right, title and interest in and to the aforesaid invention and in and to any and all Design Letters Patent therefor granted in the United States of America, and in any and all countries foreign thereto;

NOW, THEREFORE, TO WHOM IT MAY CONCERN, be it known that, for and in consideration of the sum of Ten Dollars (\$10.00) to each of us in hand paid by the said Assignee, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, we, LEAH ROTTER and TERRENCE J. SCANLAN, by these present do sell, assign and transfer unto said Assignee, its successors, assigns and legal representatives, the full and exclusive right, title and interest for the territory of the United States of America and all countries foreign thereto (including the right to apply for Design Letters Patent in foreign countries in its own name and to claim priority rights for such foreign applications to which such applications are entitled under international conventions, treaties, or otherwise) in and to the said invention as described in said application, and in and to all Design Letters Patent granted therefor, and all divisions, reissues, and continuations thereof, and we hereby authorize and request the Commissioner of Patents to issue all Design Letters Patent on said invention or resulting therefrom to said Assignee, as Assignee of the entire right, title and interest, and we covenant that we have full right so to do and agree that we will communicate to said Assignee, its successors, assigns and legal representatives, any and all facts known to each of us regarding said invention whenever requested and will testify in any legal proceeding, sign all lawful papers, execute all divisional, reissue and continuation applications, and generally do everything possible to aid said Assignee, its successors, assigns and legal representatives to obtain and enforce proper patent protection for said invention in all countries.
