In addition to those terms defined elsewhere in this Patent Security Agreement, as used in this Patent Security Agreement, the following terms shall have the following meanings:

(a) "Intellectual Property" means any and all Intellectual Property Licenses, Patents, copyrights, trademarks, the goodwill associated with such trademarks, trade secrets and customer lists.

(b) "Intellectual Property Licenses" means rights under or interest in any Patent, trademark, copyright or other intellectual property, including software license agreements with any other party, whether Borrower is a licensee or licensor under such license agreement, and the right to use the foregoing in connection with the enforcement of Bank's rights under the Loan Documents, including, without limitation, the right to prepare for sale and sell any and all Inventory and Equipment now or hereafter owned by Borrower and now or hereafter covered by such licenses.

(c) "Patents" means patents and patent applications, including, without limitation, the patents and patent applications listed on Schedule I attached hereto and made a part hereof, and (i) all renewals thereof, (ii) all income, royalties, damages and payments now and hereafter due and/or payable under and with respect hereto, including, without limitation, payments under all licenses entered into in connection therewith and damages and payments for past or future infringements or dilutions thereof, (iii) the right to sue for past, present and future infringements and dilutions thereof, and (iv) all of Borrower's rights corresponding thereto throughout the world.

2. GRANT OF SECURITY INTEREST IN PATENT COLLATERAL.
