ASSIGNMENT AND AGREEMENT

For value received, we, **Martin Ronald Amersfoot of Eatontown, County of Monmouth, and in the State of New Jersey and Julian Bernard Donald Soole of Edison, County of Middlesex, and in the State of New Jersey**, respectively, hereby sell, assign and transfer to **BELL COMMUNICATIONS RESEARCH, INC.**, a corporation of the State of Delaware, having an office at 445 South Street, Morristown, New Jersey 07960, U. S. A., and its successors, assigns and legal representatives, hereinafter collectively **BELL COMMUNICATIONS RESEARCH**, the entire right, title and interest in and to certain inventions related to **Passband Flattening of Integrated Optical Filters** described in an application for Letters, Patent of the United States, Serial No. 08/528,447, filed 14 September 1995, executed by us of even date herewith, including all rights of priority arising from the application aforesaid, and all the rights and privileges in said application and under any and all forms of protection, including Letters Patent, that may be granted for said inventions in the United States and any countries foreign to the United States.

We authorize **BELL COMMUNICATIONS RESEARCH** to make application for such protection in its own name and maintain such protection in any and all countries foreign to the United States, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from us, any and all benefits, including the right of priority provided by any and all treaties, conventions, or agreements.

We hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of **BELL COMMUNICATIONS RESEARCH** to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

We request that any and all patents for said inventions be issued to **BELL COMMUNICATIONS RESEARCH** in the United States and in all countries foreign to the United States, or to such nominees as it may designate.

We agree that, when requested, we shall, without charge to **BELL COMMUNICATIONS RESEARCH**, but at its expense sign all papers, take all rightful oaths, and do all acts which may be necessary, desirable or convenient in connection with said applications, patents, or other forms of protection.
