ASSIGNMENT

WHEREAS, **Hunt Industries, Inc.** (the "Assignor"), having a place of business at 1165 Park Avenue, Murfreesboro, Tennessee 37129, United States, has the entire right, title and interest in and to the U.S. Patents and U.S. Patent Applications listed on Schedule A (the "Patents");

WHEREAS, **Mueller International, Inc.**, (the "Assignee"), having a place of business at 110 Corporate, Suite 10, Portsmouth, New Hampshire 03801, United States, is desirous of acquiring the entire right, title and interest in and to said Patents; and,

NOW THEREFORE, for good and valuable consideration paid by the Assignee, the receipt and sufficiency of which are hereby acknowledged, Assignor has and by these presents does hereby sell, assign, transfer and convey unto the Assignee in and for the United States and its territories and for foreign countries, the entire right, title and interest in and to the Patents, any other intellectual property claiming priority thereto, in and to the inventions therein set forth, and in and to any other U.S., International and/or Foreign patent or other intellectual property now known or in the future that may issue on or claim priority to said Patents, and/or any conventional, division, continuation, continuation-in-part, reissue, renewal, reexam, continued prosecution application ("CPA"), or Request for Continued Examination ("RCE") thereof;

Assignor specifically assigns to Assignee all rights Assignor has to sue for damages and other remedies for past infringement of the Patents occurring before the date of this Assignment; and

Assignor hereby binds themselves, their heirs, legal representatives, administrators and assigns properly to execute without further consideration, any and all applications, petitions, oaths and assignments or other papers and instruments that may be necessary in order to carry into full force and effect the sale, assignment, transfer and conveyance hereby made or intended to be made.
