ASSIGNMENT

The undersigned, **NeoPharm, Inc.**, with offices at 1850 Lakeside Drive, Waukegan, IL 60085 (the "Assignor"), hereby transfers and assigns to **Georgetown University**, with offices at 37th & O Streets, NW, Washington, DC 20057 ("Assignee"), all of its right, title, and interest in and to a certain new and useful invention

GENE SHINC-3 AND DIAGNOSTIC AND THERAPEUTIC USES THEREOF

for which a US non-provisional application was filed on April 10, 2003 by Usha Kasid, Isamu Sakabe and Imran Ahmad, the application having been assigned U.S. Serial No. 10/411,930 (the "Application").

For good and valuable consideration by Assignee, the receipt and sufficiency of which are hereby acknowledged, the Assignor does hereby assign unto the Assignee all of its right, title, and interest in and to:

(i) said invention as described in the Application, for the territory of the United States and its possessions and territories and all foreign countries;

(ii) the Application;

(iii) any and all United States patents and patent applications which directly or indirectly claim priority from the Application, including any continuations, divisions, reissues, re-examinations and extensions thereof; and

(iv) any foreign patents and patent applications which directly or indirectly claim priority from the Application, including any continuations, divisions, reissues, re-examinations and extensions thereof,

free and clear of all liens and encumbrances, and with the right to prosecute and maintain said patents and patent applications and any rights of the Assignor to sue any third parties for any past infringement of said patents, for the use and behoof of Assignee and its successors, assigns or other legal representative.

After the execution of this Assignment, at the request of the Assignee and at the Assignee's expense, but without additional consideration to the Assignor, the Assignor will execute and deliver to Assignee, from time to time such further instruments of conveyance, transfer, and assignment and other documents, and will take such other actions, as the Assignee may reasonably require to give full effect to this Assignment.

This Assignment is binding on the Assignor and its respective successors and assigns, and inures to the benefit of the Assignee and its successors and assigns.

In witness whereof, intending to be legally bound hereby, the Assignor has duly executed this Assignment.
