ASSIGNMENT OF APPLICATION

Whereas, we, Peter Chen and Jungkun Lee hereafter referred to as applicants, have designed a new and ornamental design entitled

Magazine File

[] for which an application for a United States Patent was filed on _____, application number _____.

[x] for which an application for a United States Patent is filed herewith, and

Whereas, Officemate International Corporation herein referred to as "assignee" whose post office address is 90 Newfield Avenue, Edison, NJ 08837 is desirous of acquiring the entire right, title and interest in the same;

Now, therefore, in consideration of one dollar (\$1.00), the receipt of which is acknowledged, and other good and valuable consideration, I, the applicant, by these presents do sell, assign and transfer unto said assignee the full and exclusive right to the said invention in the United States and the entire right, title and interest in and to any and all Patents which may be granted therefore in the United States. I hereby authorize and request the Commissioner of Patents and Trademarks to issue said United States Patent to said assignee, of the entire right, title and interest in and to the same, for his sole use and behoof; and for the use and behoof of his legal representatives, to the full end of the term for which said Patent may be granted, as fully as the same would have been held by me had this assignment and sale not been made.
