for which international patent application PCT/EP2004/003014 has  
been filed on March 22, 2004 with destination of the United States  
and the issue of Letters Patent of the United States has been  
35 seeked for the subject of the invention and improvements therein  
described and claimed;

Whereas, CemeCon AG, a German joint stock company, having its principal place of business at Adenauerstrasse 20B1, D-52146 Würselen, Germany, is desirous of acquiring the entire right, title and interest in and to the said application and the invention therein described and claimed and any Letters Patent that may be issued upon said application or for the improvements therein contained;

Now, therefore, for and in consideration of the sum of One Dollar (\$ 1.00) and other valuable considerations, to us in hand paid, the receipt whereof is hereby acknowledged, we, the said Martin Frank, Dr. Oliver Lemmer and Dirk Breidt have sold, assigned and transferred and do hereby sell, assign and transfer, unto the said CemeCon AG, its successors and assigns, the entire right, title and interest in and to the said application and the invention therein contained and any Letters Patent that may be issued thereon or therefore, in the United States, and all reissues, extensions, renewals, divisions and continuations thereof, to the full end of the term or terms for which said Letters Patent may be issued, same to be held and enjoyed by the said CemeCon AG, its successors and assigns, the same as it would have been held and enjoyed by us if this assignment had not been made.

And we hereby authorize and request the Commissioner of Patents and Trade Marks to issue all such Letters Patent to the said CemeCon AG in accordance with this instrument of assignment.

We further covenant and agree, in consideration of the premises that we, our executors and administrators, will execute and deliver to the said CemeCon AG, its successors and assigns, any fur-

ther documents or instruments, and do any and all further acts that may be deemed necessary by the said CemeCon AG, its successors and assigns, to file applications for the said invention and improvements in the United States and that may be necessary to  
5 vest in the said CemeCon AG, its successors and assigns, the title herein conveyed or intended so to be and to enable such title to be recorded in the United States.

And we further covenant and agree, in consideration of the premises that we, our executors and administrators, will at any time,  
10 upon request, communicate to the said CemeCon AG, its successors and assigns, any facts relating to the said invention and improvements and the history thereof, known to us or to our executors or administrators, and that we will testify as to the same in any  
15 interference or other litigation when requested so to do by the said CemeCon AG, its successors and assigns.

In testimony whereof, we have hereunto set our hand.
