Intellectual Property Assignment Agreement

Assignor:

Judyth Greenburgh
80 Sir Francis Drake Blvd., Suite 3G
Larkspur CA 94939

Assignee:

Clarus Transphase Scientific, Inc.
80 Sir Francis Drake Blvd., Suite 3G
Larkspur, CA 94939

For the assignment of the rights provided below, Assignee agrees to pay Assignor \$ 0.50 per unit on the first 50,000 Pet Q-Link units sold. Assignor understands that this payment shall be the total amount due Assignor for Assignor's assignment.

Assignor hereby sells, transfers, assigns and sets over unto Assignee, its heirs, executors, administrators, and assigns, all its right, title, and interest in any copyrights, patents, trademarks, or other intellectual property rights relating to the Pet Q-Link Design (the "Work"), drawings of which are attached hereto and incorporated herein as Exhibit A.

Assignee shall then have all ownership rights in the Work including but not limited to the right to register the copyright to the Work in Assignee's own name, any statutory copyrights together with the exclusive rights to administer and exploit all rights in and to the Work, and the right to secure renewals and extensions of such copyrights anywhere in the world for the full term of said copyright or statutory copyright and any renewal or extensions of same that are or may be granted throughout the world.

This Assignment includes all licenses and other agreements for the use of some or all of the Work, as well as any and all causes of action for infringement or otherwise arising out of or relating to the use or exploitation of said Work, and the right to receive any and all fees, royalties or other compensation due or to become due with respect to the Work from and after the effective date of this Assignment.

In the event Assignee is unable to secure Assignor's signature on any document necessary to apply for, prosecute, obtain or enforce any legal right or protection relating to any Work referred to above, Assignor irrevocably designates and appoints Assignor (and each of its duly authorized officers and agents) as her agent and attorney-in-fact, to act for and in her behalf and to execute and file any such document and to do all other lawfully permitted acts to further the prosecution, issuance and enforcement of patents, copyrights or other rights.

Assignor's signature on this Assignment is the Assignor's representation and warranty that: 1) Assignor has full power and authority to enter into this agreement; 2) Assignor is the sole author, inventor, and sole proprietor of all rights in and to the Work (except as to contributions made by
