ASSIGNMENT

For good and valuable consideration, the receipt of which is hereby acknowledged, I, Dong Chen, do hereby assign and transfer to Veeco Instruments, Inc., a corporation of the State of Delaware, having its principal offices at 2650 E. Elvira Road, Tucson, Arizona 85706, United States of America, and to its successors, assigns and legal representatives, the entire right, title and interest to a certain invention entitled "High-Definition Vertical-Scan Interferometry," described, illustrated and claimed in an application for Letters Patent of the United States of America that was executed by me on June 22, 2006, 2006, together with the entire right, title and interest in and to said application, and in and to Letters Patent which may be issued upon said application, and in any division, extension, continuation, continuation-in-part or reissue thereof, said Veeco Instruments, Inc., bearing all patent application expenses, including attorney fees.

I also hereby assign and transfer unto said Veeco Instruments, Inc., the entire right, title and interest in and to said inventions and in and to applications for Letters Patent therefor in all countries foreign to the United States of America, including all rights under any and all international conventions and treaties in respect of said inventions and said applications for Letters Patent in foreign countries; I further authorize said Veeco Instruments, Inc., to apply for Letters Patent in foreign countries directly in its own name, and to claim the priority of the filing date of said application for Letters Patent of the United States of America under the provisions of any and all international conventions and treaties.

I hereby authorize and request the Commissioner of Patents of the United States of America to issue Letters Patent upon the aforesaid application, division, extension, continuation, continuation-in-part or reissue, to Veeco Instruments, Inc., for the sole use and benefit of said Veeco Instruments, Inc., its successors, assigns and legal representatives, to the full end of the term for which said Letters Patent may be granted, the same as they would have been held and enjoyed by me had this assignment not been made, and I hereby authorize and request the
