ASSIGNMENT

For good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged, as a below named inventor, I hereby sell and assign to Ashland Chemical Company, its successors and assigns or other legal representatives all my rights, title and interest, in and for the United States of America, in and to

ASPHALT LOADING SAFETY SYSTEM CONTROL CIRCUIT

invented by me and described in the application for United States Letters Patent therefor, filed herewith, all United States Letters Patent which may be granted therefor, and all divisions, continuations and extensions thereof, the said interest being the entire ownership of the said Letters Patent when granted, to be held and enjoyed by said Ashland Chemical Company, its successors, assigns or other legal representatives, to the full and of term for which said Letters Patent may be granted, as fully and entirely as the same would have been held and enjoyed by me or us if this assignment and sale had not been made;

And I hereby agree to sign and execute any further documents or instruments which may be necessary, lawful, and proper in the prosecution of the above-named application or in the preparation and prosecution of any continuing, continuation-in-part, substitute, divisional, renewal, reviewed or reissue applications or in any amendment extension, or interference proceedings, or otherwise to secure the title thereto in said assignee;

And I do hereby authorize and request the Commissioner of Patents to issue said Letters Patent to said Ashland Chemical Company.

The undersigned hereby grants Frank J. Kowalski, reg. no. 28,434, the power to insert on this assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent Office for recordation of this document.
