## PATENT APPLICATION ASSIGNMENT

Docket No. 081398.000002

WHEREAS, **Global Pressure Control, Inc.**, a corporation of the State of Texas, having a principal place of business at 8484 Breen Road, Houston, Texas 77064, is the owner of 50% of United States application Serial No. 10/878,801, filed June 28, 2004, entitled "Convertible Jack", by virtue of an Assignment recorded in the United States Patent and Trademark Office on August 30, 2004, Reel 015744, Frame 0696, and the invention described and claimed therein.

WHEREAS, **Integrated Production Services LLC**, a corporation of the State of Texas, having a principal place of business at 3700 Buffalo Speedway, Suite 620, Houston, Texas 77098, is desirous of acquiring the entire right, title and interest of Global Pressure Control, Inc. in and to the above-identified patent application.

NOW THEREFORE, be it known by all whom it may concern that for and in consideration of One Dollar (\$1.00), and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged by Global Pressure Control, Inc., Global Pressure Control, Inc. by these presents has sold, assigned, transferred and set over and does hereby sell, assign, transfer and set over to Integrated Production Services LLC, their entire right, title, and interest in and to the said invention and patent application, and any patent which may issue thereon, including all divisions, continuations, reissues, continuations-in-part and substitutions thereof, plus all priority rights for patent applications foreign to the United States of America.

Global Pressure Control, Inc. hereby covenants that they have full right to convey their 50% interest herein assigned and that they have not executed and will not execute any agreement in conflict herewith.

Global Pressure Control, Inc. further hereby assigns and transfers to Integrated Production Services LLC whatever cause of action they may have for past or present infringement of said invention, together with the right to bring suit for any such infringement and to seek and receive damages and other relief arising from any such infringement.

Global Pressure Control, Inc. hereby covenants and agrees that they will at any time, upon the request and at the expense of Global Pressure Control, Inc., execute and deliver any and all papers and do all lawful acts that may be necessary or desirable to perfect the title to said

invention, applications and patents, and Global Pressure Control, Inc. authorizes the Commissioner of Patents and Trademarks to issue Letters Patent to Integrated Production Services LLC.
