ASSIGNMENT

WHEREAS, We, Pei-Ying Lin residing at No. 10, Lane 188, Chung-ye Road, Lunqjing Shiang, Taichung Hsien, Taiwan, ROC, and Chanwa Nguy, residing at 18120 Harbor Light Boulevard, Cornelius, North Carolina 28031, US, have invented new and useful improvements in a design for **CURVED HOLDER FOR LONG COILED HOSE**, and have executed an application for United States Patent, and

WHEREAS, Global Industries Holdings, Ltd., a company incorporated in the Commonwealth of the Bahamas, (hereinafter Assignee), having a place of business at 211 Waukegan Road, Suite 300, Northfield, IL 60093 US, is desirous of acquiring the entire right, title, and interest in and to said invention, said application, and in to and under said Patent of the United States and foreign countries that may be granted therefor;

NOW, THEREFORE, TO ALL WHOM IT MAY CONCERN: Be it known that for and in consideration of the sum of One Dollar (\$1.00) and other good and valuable consideration to me in hand and paid by said Assignee the receipt of which is hereby acknowledged, we, said Pei-Ying Lin and Chanwa Nguy have sold, assigned, transferred and set over, and by these presents do hereby sell, assign, transfer and set over to and unto said Assignee, its successors and assigns, for, within and throughout the United States and the territories thereof, and all foreign countries, the entire right, title and interest in and to said invention, and in, to and under said application, and all Patent of the United States and foreign countries that may be granted for said invention and improvements, including divisions, reissues, subdivisions, continuations and prolongations of such applications and Patent, to have and to hold for the sole and exclusive use and benefit of said Assignee, its successors and assigns, to the full end of the term or terms for which any and all of said Patent for said invention may issue, and further, including the right to Assignee to file in its name applications for Patent to said improvements in any country or countries foreign to the United States including the full right to claim for any such applications the priority benefits of the International Convention for the Protection of Industrial Property and other priority conferring treaties, and all Patent which may be granted for said improvements in any country or countries foreign to the United States and all extensions, renewals and reissues thereof.

We do hereby covenant and agree, for ourselves, heirs and legal representatives, that we will assist said Assignee in the prosecution of the application herein identified; in the making and prosecution of any other applications for Patent that said Assignee may elect to make covering the invention herein identified, as hereinbefore set forth; in vesting in said Assignee, like exclusive title in and to all such other applications and Patent; and in the prosecution of any interference which may arise involving said invention, or any application or Patent herein contemplated; and that we will execute and deliver to said Assignee, any and all additional papers that may be requested by said Assignee, to fully carry out the terms of this assignment.

And we do hereby authorize and request the Commissioner of Patents to issue all Patent of the United States that may be granted pursuant to application aforesaid, or for said invention, to said Assignee, its successors and assigns in accordance with this assignment.

And we hereby covenant that we have full right to convey the entire interest herein assigned, and that we have not executed and will not execute any agreement in conflict herewith.
