ASSIGNMENT

For good and valuable consideration paid to me (for single inventor) us (for joint inventors), receipt of which is hereby acknowledged, I (we each):

**Radoje Drmanac
Mathew J. Callow
Snezana Drmanac
Brian K. Hauser
George Yeung**

do hereby sell, assign, and set over unto

CALLIDA GENOMICS, INC.

a corporation having its principal place of business in Sunnyvale, California (hereinafter "Assignee"), its successors, legal representatives and assigns, my (each of our) entire right, title, and interest (1) in and to any and all of my (our) inventions and discoveries entitled:

Single Molecule Arrays for Genetic and Chemical Analysis

as described and/or claimed in my (our) patent application(s), identified as follows:*

Ser. No.	Filed
60/690,771	15 June 2005
60/725,116	7 October 2005
60/776,415	24 February 2006
11/451,691	13 June 2006

(2) in and to the right to file patent applications in the name of Assignee, its designee, in my name (any or all of our names), or in any other name or names, on the aforesaid inventions and discoveries in any or all countries of the world, together with all rights of priority in the aforesaid countries deriving from the above-identified patent application under the International Convention for the Protection of Industrial Property, or under any other international arrangement applicable to the above-identified patent application; (3) in and to any and all applications for Letters Patent, and any and all Letters Patent that issue on any of the aforesaid applications, and (4) in and to any and all conversion applications, divisions, continuations, and continuations-in-part of any and all of said applications, and any and all reissues, renewals and extensions of any of said Letters Patent, such that the same right, title and interest to be held and enjoyed by Assignee, its successors, assigns or other legal representatives, to the full ends of the terms for which all Letters Patent therefor may be granted, shall be as full and complete as that that would have been held and enjoyed by me (us) if this assignment and sale had not been made.

I (we) further hereby covenant and agree, for the same consideration, whenever counsel of Assignee, or the counsel of its successors, legal representatives and assigns, shall advise that any proceeding in connection with said inventions, or said application for Letters Patent, or any proceeding in connection with said invention, or said application for Letters Patent, including interference proceedings, is lawful and desirable, or that any division, continuation, or continuation-in-part of any application for Letters Patent, or any reissue or extension of any Letters Patent, to be obtained thereon, is lawful and desirable, to sign all papers and documents, take all lawful oaths, and do all acts

* I (we) hereby authorize Assignee to insert in this instrument the serial number and filing date of said application when officially notified thereof.

necessary or required to be done for the procurement, maintenance, enforcement and defense of Letters Patent for said invention, without charge to said Assignee, its successors, legal representatives and assigns, but at the cost and expense of said Assignee, its successors, legal representatives and assigns.

Special Power of Attorney

To the extent allowable by law, I (we) hereby appoint Assignor, acting through any of its officers, as my (our) attorney-in-fact to act in my (our) name and capacity to do any and all of the following: To execute any document necessary or desirable for the purpose of securing, prosecuting, maintaining, enforcing, and/or defending the patents and patent applications referred to above, including any and all foreign counterparts, divisions, continuations, continuations-in-part, extensions, substitutes, reissues, or renewals thereof; and to represent me (us) and to transact all business related to securing, prosecuting, maintaining, enforcing, and/or defending the patents and patent applications referred to above, in or before any national or international patent office, agency, bureau, or tribunal.

This Power of Attorney shall be effective upon execution and shall remain in full force and effect until the expiration of the last-to-expire patent or the last-to-expire patent based on any application referred to above, including any foreign counterparts, divisions, continuations, continuations-in-part, extensions, substitutes, reissues, or renewals thereof.
