ASSIGNMENT

We, Paul Bradford, residing at 2673 Dodge Road, the City of East Amherst, the State of New York, the Country of United States of America, and Steve Pabst, residing at 8607 Appleton Court, the City of East Amherst, the State of New York, the Country of United States of America, have invented certain new and useful improvements in ENERGY GENERATING EXPANSION JOINT and Watson Bowman Acme Corporation, a corporation organized and doing business under the laws of the State of Delaware, having a place of business at 95 Pineview Drive, Amherst, New York 14228, desires to acquire the rights to this invention.

In consideration of one dollar (\$1.00), receipt and sufficiency of which is hereby acknowledged, and other good and valuable considerations, we, Paul Bradford and Steve Pabst hereby sell, assign, and transfer to Watson Bowman Acme Corporation, its successors and assigns, the entire right, title, and interest in and to this invention relating to ENERGY GENERATING EXPANSION JOINT and any improvements thereon; the so-entitled application for United States Letters Patent which was filed on May 11, 2006, which bears U.S. Serial No. 11/432,159 and Attorney Docket number WBA.P.3168; any and all continuations, continuations-in-part, divisions and renewals thereon; all reissues, reexaminations, or extensions thereof; all United States Letters Patent granted thereon; and any and all Letters Patents on said invention, and applications therefor, including all rights to claim priority, in any and all countries foreign to the United States of America.

We hereby authorize and request the Commissioner of Patents and Trademarks of the United States to issue all United States Letters Patent on said invention and application, or applications resulting therefrom, to Watson Bowman Acme Corporation, as assignee of the entire right, title, and interest.

We further agree that during and subsequent to our employment with Watson Bowman Acme Corporation, on request and without further consideration, but at the sole expense of Watson Bowman Acme Corporation, we will with respect to this invention and this application or any subsequent application on this invention communicate to counsel for Watson Bowman Acme Corporation, its successors and assigns all facts known to us; testify in all legal proceedings; sign all lawful papers; execute all applications; make all rightful oaths; generally do everything possible to aid Watson Bowman Acme Corporation, its successors and assigns to obtain and enforce lawful patent protection for said invention in the United States and countries foreign thereto; and vest the entire right, title and interest in and to said invention and any and all applications for letters patent therefor and letters patent thereon in Watson Bowman Acme Corporation, its successors and assigns.
