as assignee, is desirous of acquiring all right, title and interest for the United States in and to said invention and
any U S. Patent that may be granted therefor.

NOW, THEREFORE, in consideration of One Dollar (\$ 1.00) and other good and valuable
consideration, the receipt of which is hereby acknowledged, I (We), as assignor(s), hereby sell, assign and set over
to said assignee the entire right, title and interest for the United States in and to said invention and the aforesaid
United States application for Patent, all original, divisional, continuation, substitute or reissue applications and
patents applied for or granted therefor in the United States including all rights of priority from the filing of said
application, and the Commissioner of Patents is hereby authorized and requested to issue all patents on said
invention or resulting therefrom to said assignee herein, as assignee of the entire interest therein; and the
undersigned for myself (ourselves) and my (our) legal representatives, heirs and assigns do hereby agree and
covenant without further remuneration, to execute and deliver all divisional, continuation, reissue and other
applications for Patent on said invention and all assignments therefor to said assignee or its assigns, to
communicate to said assignee or its representatives all facts known to the undersigned respecting said invention,
whenever requested, to testify in any interferences or other legal proceedings in which any of said applications or
patents may become involved, to sign all lawful papers, make all rightful oaths, and to do generally everything
necessary to aid said assignee, its successors, assigns and nominees to obtain patent protection for said invention in
the United States, the expenses incident to said applications to be borne and paid by said assignee.
