PATENT ASSIGNMENT

WHEREAS, Gam-Med Packaging Corporation, a Delaware Corporation, having its principal office and place of business at 712 Anita Street, Antioch, IL 60002 (the "Assignor") is the owner of the entire right, title and interest in and to the letters patent and patent applications identified on Exhibit A hereto and in and to any and all inventions described or shown therein; and

WHEREAS, pursuant to loans made to Assignor by Montgomery Medical Ventures II, L.P., a California limited partnership having its principal office and place of business at 600 Montgomery Street, San Francisco, California 94111 (the "Assignee"), Assignor has previously granted to Assignee a security interest in and to all of Assignor's right, title and interest in and to the letters patent and patent applications identified on Exhibit A hereto and in and to any and all inventions described or shown therein; and

WHEREAS, the parties hereto each desire to perfect Assignee's security interest:

NOW, THEREFORE, for and in consideration of the foregoing and other valuable and legally sufficient consideration, the receipt and sufficiency of which is hereby acknowledged, the Assignor does hereby sell, assign, transfer, convey and deliver to the Assignee, its successors and assigns, or other legal representatives, Assignor's entire right, title

and interest to said letters patent and patent applications and in and to any and all inventions described and shown therein, and in and to any applications filed in any country based thereon or on a document claiming common priority, including the right to file applications under the provisions of any convention or treaty; and in and to any confirmations, divisionals, continuations, continuations in part, reissues, revivals, statutory invention registrations or substitute applications which may be filed on said inventions; and in and to any patents, certificates, utility models, reissues, extensions, additions, statutory invention registrations or confirmations thereof which may be granted upon said inventions; to have and to hold the same, to the full end of the term or terms for which any and all such patents and grants may issue.

Assignor further agrees to take such further actions as are necessary to effect the full and complete transfer and prosecution of the letters patent, patent applications and all inventions described and shown therein as set forth on Schedule A hereto, including, without limitation, the recordation of this Assignment.

IN WITNESS WHEREOF, Assignor has hereunto set its hand and affixed its seal as of January 25, 1994.
