ASSIGNMENT

WHEREAS, we

Ulrich Siebel, a citizen of the Federal Republic of Germany,
residing at Glambecker Weg 44, D-13465 Berlin, Federal Republic of Germany

Frank Henecker, a citizen of the Federal Republic of Germany,
residing at Wiesenweg 8, D-85119 Ernsgaden, Federal Republic of Germany

Andreas Breuer, a citizen of the Federal Republic of Germany,
residing at Heimstättenstr. 3, D-29356 Bröckel, Federal Republic of Germany

have made a certain invention entitled

“Device and Method for Central On-Board Diagnosis for Motor Vehicles”

for which we are about to make application for letters patent of the United States of America; and

WHEREAS,

AUDI AG, a corporation of the Federal Republic of Germany,
having its principal place of business in the City of Ingolstadt
and the Federal Republic of Germany

Volkswagenwerk AG, a corporation of the Federal Republic of Germany,
having its principal place of business in the City of Wolfsburg
and the Federal Republic of Germany

are desirous of acquiring an interest therein.

NOW, THEREFOR, in consideration of Ten Dollars (US \$10.00), in currency of the United States of America, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, we,

Ulrich Siebel, Frank Henecker and Andreas Breuer,

by these presents, do sell, assign and transfer unto said corporations our intire right, title and interest, for the United States of America and its possessions and territories, in and to said invention as described and claimed in said application for letters patent of the United States of America, executed by

Ulrich Siebel on the 30 day of August, 2005
Frank Henecker on the 30 day of June, 2005
Andreas Breuer on the 13 day of September, 2005

preparatory to obtaining letters patent of the United States of America therefor, said application for letters patent of the United States of America, and in and to any letters patents that may be granted for said invention; said invention, application for letters patents and letters patents, and any continuations, continuations-in-part, divisions, reissues, extensions and renewals thereof, to be held and enjoyed by said corporations, for their own use and behoof and for their legal representatives, successors and assigns, to the full ends of the terms for which said letters patents may be granted, as fully and intirely as the same would have been held by us had this assignment and sale not been made.

For the same consideration, we hereby covenant and agree that we will and that our legal representatives shall execute and deliver any and all application papers, assignments, powers of attorney and other instruments that said corporations, may consider neccessary or advisable to secure letters patents of the United Staates of America for said invention, and any continuations, continuations-in-part, divisions, reissues, extensions and renewals thereof, and to vest and confirm in said corporations, the full and complete legal and equitable title to said invention, application and letters patents, without further consideration than that now paid but at the expense of said corporations.
