2004

BETWEEN

- (1) **OXFORD INSTRUMENTS MEDICAL LIMITED** (registered no. 01675071) whose registered office is at Old Station Way Eynsham Witney Oxon OX29 4TL ("Assignor"); and
- (2) **OXFORD INSTRUMENTS SUPERCONDUCTIVITY LIMITED** (registered no. 00704320) whose registered office is at Old Station Way aforesaid ("Assignee")

WHEREAS

- (A) The Assignor is the sole registered proprietor of the Patents defined below
- (B) Pursuant to agreements between the parties dated 25 February 2004 and 25 March 2004 the Assignor acknowledged that it holds the patents on trust for the Assignee
- (C) The Assignee has now directed that the Patents be assigned by the Assignor to the Assignee

NOW THIS DEED WITNESSES that:

1. PRELIMINARY

1.1 Definitions

In this Agreement including its recitals and schedules:

"the Patents" means the patents listed in the Schedule and any foreign equivalents thereof

1.2 Interpretation

In this Agreement:

- 1.2.1 clause headings shall be ignored in interpretation;
- 1.2.2 references to recitals, clauses, sub-clauses, paragraphs, sub-paragraphs and schedules are to the same in this Agreement unless otherwise expressly stated
- 1.2.3 the singular includes the plural and vice versa

2. ASSIGNMENT

2.1 Assignment

In consideration of the payment of the sum of £1 by the Assignee to the Assignor the receipt and sufficiency of which is hereby acknowledged by the Assignor the Assignor hereby assigns to the Assignee with full title guarantee:

2.1.1 all its right title and interest in and to the Patents together with all the Assignor's rights and powers (statutory, common law or otherwise) which have arisen or accrued or which may hereafter arise or accrue therefrom including the right to take legal action and equitable action for injunctive relief, reasonable royalty, compensatory damages, punitive damages or other damages and all other remedies in respect of any infringement of such rights whether prior to or after the date of this Agreement; and

2.1.2 the right to apply for prosecute and obtain patent or similar protection throughout the world in respect of the matters claimed in the Patents including the right to claim priority therefor to the intent that the grant of any patents or similar protection shall be in the name of and shall vest in the Assignee

2.2 Further Assurance

The Assignor further agrees and undertakes that it shall do or procure to be done all such acts and things and execute or procure the execution of all such other documents as the Assignee may (at the Assignee's cost) from time to time reasonably require to effectively vest the ownership of the Patents in the Assignee free from liens, charges, options, encumbrances or adverse rights affecting the Assignor's ownership or right to dispose of the same or otherwise for giving the Assignee the full benefit of the provisions of this Deed and by way of security for due performance of this obligation the Assignor hereby irrevocably appoints the Assignee and each person who is from time to time a director of the Assignee as its attorney with full power to act in the name of the Assignor and to execute any document whether by deed or otherwise which the Assignor may be required to execute pursuant to this Agreement

2.3 Assistance with Proceedings

The Assignor agrees and undertakes to provide to the Assignee (at its request and cost) all reasonable assistance with any proceedings which may be brought by or against the Assignee against or by any third party in relation to the Patents subject always to the Assignee first indemnifying the Assignor against any liability which the Assignor may thereby incur

3. **GENERAL**

3.1 **No waiver**

No time or other indulgence allowed or granted by either party to the other shall constitute any waiver of any right or remedy

3.2 **Law and Proceedings**

This Agreement shall be governed and construed in all respects in accordance with the laws of England and the parties shall submit to the non-exclusive jurisdiction of the English Courts

IN WITNESS this document has been signed as a deed and delivered on the date first above written
