The Contractor, having the right to retain title to certain Subject Inventions as a result of the above identified U. S. Department of Energy (DOE) Class Patent Waiver, has reported the above identified invention as a Subject Invention to DOE with an election to retain title thereto.

Accordingly, this document is confirmatory of the nonexclusive, nontransferable, irrevocable, paid-up license to practice or to have practices for or on behalf of the United States in this subject invention throughout the world and of all other rights acquired by the Government, including the march-in rights in accordance with 48 CFR 27.304-1(g), by the above identified CRADA. It is understood and agreed that this license does not preclude the Government from asserting rights under the provisions of said CRADA, or from asserting any other rights of the Government with respect to the above identified invention.

The Government is hereby granted an irrevocable power to inspect and make copies of the above identified patent application.
