ASSIGNMENT

WHEREAS, Zandy Innovations, Inc. (herein referred to as "Assignor"), with an address of 721 Hamlin Drive, Ocoee, Florida 34761, has agreed that Centex Corporation is and shall be the owner of certain new and useful improvements as below entitled, for which application for United States Letters Patent is made; and

WHEREAS, Centex Corporation (herein referred to as "Assignee"), with an address of 2728 North Harwood, Dallas, Texas 75201-1516, owns and shall own the entire right, title and interest in and to the invention described in U.S. Provisional Application No. 60/572,288, filed May 18, 2004 (the "Invention"), and in and to the application and any Letters Patent that may issue thereon;

NOW, THEREFORE, for and in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor assigns to Assignee all right, title and interest in and to the Invention and in and to the application and all patents which may be granted therefor, and all divisions, reissues, continuations, continuations-in-part and extensions thereof, and Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks to issue all patents for the Invention, or patents resulting therefrom, insofar as any interest of Assignor is concerned, to Assignee.

Assignor assigns to Assignee, all right, title and interest to the Invention disclosed in the application throughout the world, including the right to file applications and obtain patents, utility models, industrial models and designs for the Invention in its own name throughout the world, including all rights to publish cautionary notices reserving ownership of the Invention and all rights to register the Invention in appropriate registries; and Assignor further agrees to execute any and all powers of attorney, applications, assignments, declarations, affidavits, and any other papers in connection therewith necessary to perfect such right, title and interest in Assignee.

Assignor will communicate to Assignee all facts known to Assignor respecting any improvements; and, at the expense of Assignee, we will testify in any legal proceedings, sign all lawful papers, execute all divisional, continuation, continuation-in-part, reissue and substitute applications, make lawful oaths and declarations, and generally do everything possible to vest title in Assignee and to aid Assignee to obtain and enforce proper protection for the Invention in all countries.

This Assignment shall be binding on the parties' successors, assigns and legal representatives.
